over the historic Chilkoot Trail In the summer of 1988 Kris is assigned as a guide out of Fairbanks Alaska He is quickly accepted into the fraternity of long haul tour drivers as he begins to make the circuit among Fairbanks Dawson City Denali National Park and many other locales Then in the tiny hamlet of Tok Alaska he meets a very unlikely person Genna the woman of his dreams Their ensuing romance takes them from midnight gardening to a Summer Solstice party through a devastating forest fire and ultimately to a promise to spend an Alaskan winter together in a remote cabin near Skagway The winter of 1988 1989 tests Kris mettle in a wholly new way as he and Genna explore the vagaries of living among the elements together They manage to survive and even thrive despite indiscriminate icestorms unheated Volkswagens and frosty outdoor privies with their relationship and their sanity more or less intact And as the springtime finally dawns Kris begins to realize that rather than being just a tour guide he is becoming a true Alaskan in every sense How Heavy Is The Mountain is a palette of tones styles and themes At once it is erudite and offbeat informative and entertaining Within its pages a reader encounters narrative travel writing miniature wildlife treatises poetry pointless drinking songs and highly personalized storytelling Overall the story is told with warmth humor and an affection for its subjects in particular the great land that is Alaska
