

# Easy College Essay Guide

## Brainstorm Your Thesis

Your professor may give you theses to choose from. Or, you may have to come up with your own thesis. Let's make sure you understand "both sides" of the argument so that you can be persuasive and thorough.

## Find Evidence in the Text

Your primary text will typically be whatever book you are reading or media you are consuming (TV, movies, song lyrics). If you are confused about your "primary text" focus, ask your professor to clarify.

## Find Evidence in Secondary Text

Your professor will expect you to use online academic journal articles to support your argument. These may come from sources like JSTOR or Google Scholar. Let's find them and weave them into your essay.

## Format the Outline & Fill in the Blanks

Once you have your notes prepared, I will provide a simple essay outline that lets you "fill in the blank" to flesh out your argument and complete your assignment.
