John Donne Holy Sonnets John Donne, John Daniel Thieme, 2014-10-09 The nineteen poems that comprise John Donne's Holy Sonnets are works of anxiety and spiritual crisis Most of the sonnets are thought to have been written between 1609 and 1611 but were not published until two decades later two years after Donne's death The Holy Sonnets explore the poet's fear and trembling when faced with the realisation of his mortality and self-described unworthiness as a recipient of God's grace and mercy Donne's poems navigate through his doubts in search of a divine comfort and assurance in the hope of salvation and eternal life With an introduction by poet John Daniel Thieme John Donne's Poetry and Early Modern Visual Culture Ann Hurley, 2005 This study argues the thesis that John Donne's poetry already well served by the insightful close readings of earlier generations of scholars can now profit from being read in the context of early modern cultural experience specifically its visual culture It points out that the focus on visual culture allows for a non monolithic flexible reading of Donne's verse in part because it acknowledges that while the complexity of his religious identity has been well explored the complexity of his secular interest has perhaps been less thoroughly examined Since a study of early modern visual culture is deeply concerned with the vicissitudes of the image both religious and secular such a context serves to integrate what in Donne sometimes invites polarity Focused on close readings of several poems the study is in two parts On the one hand it examines the visual culture of early modern England and argues that reading Donne's poetry enhances our understanding of how that culture actually operated when looked at through the experience of a practicing poet the visual culture through which it participated adds a dimension to that verse that would otherwise be less accessible to us Ann H Hurley is Professor of English at Wagner College **The Collected Poems of John Donne** John Donne, 1994 John Donne's poetry is marked by a scientific colloquial directness and a complex even tortured intelligence It falls into two classes There is the early ironic and erotic poetry that contains some of the finest English love poetry and also his later religious poetry **The Variorum Edition of the Poetry of John Donne, Volume 6** John Donne, 1995 Based on an exhaustive study of the manuscript and print history of Donne's poetry this edition presents newly edited critical texts of the poems and a comprehensive digest of the critical scholarly commentary on them from Donne's time forward Textual introductions briefly locate the poems in the context of Donne's life or poetic development outline the 17th century textual history of the poems and sketch the treatment of the text by modern editors A detailed textual apparatus presents variants collated from many sources and traces the lines of textual transmission Provided by publisher **John Donne: The Poems**

Joe Nutt,1999-09-03 John Donne s poems are some of the most challenging and stimulating in the English literary heritage This book looks at the entire range of his poetic output from the erotic to the divine from satires to sonnets Through detailed analysis of a large number of individual poems Donne s intellectual vitality and unique poetic voice is entertainingly explored The practical techniques are explained clearly and when applied to the work of other poets will enable the reader to feel confident in understanding and discussing even the most demanding verse *The Variorum Edition of the Poetry of John Donne, Volume 7, Part 1* John Donne,Gary A. Stringer,Paul A. Parrish,2005-12-01 Praise for previous volumes This variorum edition will be the basis of all future Donne scholarship Chronique This is the 4th volume of The Variorum Edition of the Poetry of John Donne to appear This volume presents a newly edited critical text of the Holy Sonnets and a comprehensive digest of the critical scholarly commentary on them from Donne s time through 1995 The editors identify and print both an earlier and a revised authorial sequence of sonnets as well as presenting the scribal collection which contains unique authorial versions of several of the sonnets inscribed by Donne s friend Rowland Woodward in the Westmoreland manuscript

Poems of John Donne John Donne, 2014-03 This Is A New Release Of The Original 1901 Edition The Love Poems of John Donne John Donne, 1982-10-15 John Donne's standing as one of the greatest poets in the English language is now thoroughly established and critics such as T S Eliot and F R Leavis have found in Donne's poetry qualities profoundly responsive to the modern age While Donne is famous for his religious poetry his love poems are among the most beautiful ever written and this collection brings them together for the first time Donne was a man who knew all the many faces of love physical passion jealousy rapture grief and parting and possessed the genius to distill his experiences into poetry The potency of his writing has lost none of its effect Donne's love poetry taps the reservoir of feelings and emotions common to all human beings Before Donne was ordained as a priest in 1615 he wrote sonnets such as The Dream and The Ecstasy elegies such as To His Mistress Going to Bed and Love's Progress and wedding songs St Valentine's Day and Epithalamion all of which glitter with an eroticism that truly marries body and soul Charles Fowkes author of a critically acclaimed biography of Rembrandt and several anthologies of short stories has gathered those poems in which Donne is most passionate and most lyrical The result is this lovely volume the perfect gift for every beloved a book of poems to press flowers in and to keep by the heart

John Donne's Lyrics Arnold Sidney Stein, 1962-01-01 John Donne's Lyrics was first published in 1962 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions Combining modern insight with historical perspective Professor Stein offers a fresh interpretation of Donne's lyric poems His method is cumulative it includes cross references to the religious writing analysis of individual poems and their relationship to larger patterns which reflect Donne's poetic mind Among the specific problems he deals with are those which concern metaphor symbol myth wit fictions negative theology consciousness and simplicity binary and ternary form in poetry meter and meaning rationalism and affective language the visual and the auditory Professor Stein demonstrates that to gain insight into the integrity of Donne's poetic mind it is necessary to take seriously two propositions that Donne is a poetic logician endowed with a talent and love for the unity of imaginative form and that Donne's poetry though it is not simple nevertheless deeply and persistently engages important problems which concern simplicity In one of his sermons Donne wrote The eloquence of inferiours is in words the eloquence of superiours is in action Professor Stein maintains that in his best poems Donne aspires to the eloquence of action and never to the eloquence of words Although the study is focused on Donne's lyrics the interpretation is based on a long study of all the poems and the prose and on background and foreground materials In a postscript the author discusses Donne's modern

career **John Donne's Poetry** John Donne,1966-04 Donald Dickson's John Donne's Poetry is the best text of Donne now available It is scrupulously edited and equally useful for students and for scholars Harold Bloom Yale University *John Donne, Coterie Poet* Arthur F. Marotti,2008-08-01 Arthur F Marotti has produced the first systematic study of John Donne's poetry as coterie literature offering fresh interpretations of the poems in their biographical and sociohistorical contexts It will be of interest and value to students and scholars of English Renaissance literature to critics interested in the application of revisionist history to literary study and to those concerned with the processes by which literature became institutionalized in the early modern period Donne treated poetry as an avocation restricting his verse to carefully chosen readers friends acquaintances patrons and the woman he later married This study employs socio historical and psychoanalytic methods to examine this poetry as work designed for readers to respond in knowledgeable ways to a complex interplay of literary text and social context Marotti argues that it is necessary to relate literary language to the languages of social economic and political transactions and to define the social and ideological affiliations of literary genres and modes After setting Donne's practice in the framework of the sixteenth century systems of manuscript literary transmission Marotti treats the verse chronologically and according to audience paying particular attention to the rhetorical enactment of the author's relationships to peers and superiors through the conflicting styles of egalitarian assertion social iconoclasm and deferential politeness Marotti relates the poetry to Donne's contemporary prose discussing the author's choice of various literary forms in the context of his sociopolitical life as well in terms of the shift from Elizabethan to Jacobean rule the latter change resulting in a realignment of genres within the culture's literary system He reads Donne's formal satires humanist verse letters erotic elegies and commentary epistles aware of the social coordinates of those particular genres and defines the markedly different circumstances to which Donne's libertine courtly satiric sentimental complimentary and religious lyrics individually belonged Marotti deals also with Donne's inventive mixing of genres in both shorter and longer poems Marotti's groundbreaking work offers new models of historical interpretation of Donne's poetry complementing previous formalist intellectual historical and literary historical readings It particularly highlights the importance of attending to the socioliterary conditions of literature designed for manuscript transmission rather than for publication work that includes for example much of the lyric poetry of Renaissance England **Donne: Everyman's Poetry** John Donne,2012-04-26 The best of John Donne's poems John Donne 1572 1631 was born into a Catholic family and studied law before sailing with Essex to attack Cadiz in 1596 He was appointed secretary to Sir Thomas Egerton the Lord Keeper later Lord Chancellor in 1598 but forfeited his worldly prospects when he secretly married Ann More Lady Egerton's niece in 1601 he was dismissed by Egerton and briefly imprisoned The next twelve years or so were passed in poverty without regular employment He entered the Church and in 1621 was made Dean of St Paul's where he became a renowned preacher His first collection of poems was published posthumously in 1633 **The Variorum Edition of the Poetry of John Donne, Volume 4.2** John Donne,2021-11-02 This

volume the ninth in the series of The Variorum Edition of the Poetry of John Donne presents newly edited critical texts of 25 love lyrics Based on an exhaustive study of the manuscripts and printed editions in which these poems have appeared Volume 4 2 details the genealogical history of each poem accompanied by a thorough prose discussion as well as a General Textual Introduction of the Songs and Sonets collectively The volume also presents a comprehensive digest of the commentary on these Songs and Sonets from Donne s time through 1999 Arranged chronologically within sections the material for each poem is organized under various headings that complement the volume s companions Volume 4 1 and Volume 4 3
