

Here are 8 common dreams and their interpretation according to John Paul Jackson:

Flying– A person has the ability to rise above problems and move in the spiritual realm.

Teeth falling out– One may be experiencing a loss or inability to understand and/or discern something.

Taking a test – Being in a classroom taking a test, often means that one is going through a time of testing and being tried for the purpose of promotion.

Falling – Some part of a person's life is out of control, or the person is losing control and is growing anxious.

Snakes – This means a person is being harassed by lies, accusations or tales being told about them.

Dogs – Dogs usually represent friendship, loyalty and protection; unless the dog is growling which means a friend may be turning against a person.

Losing wallet or purse – More than financial loss, this dream could mean a person has lost status, identity or purpose.

Naked in public – This dream is not about wardrobe malfunctions. It indicates a person is (or will be) vulnerable or transparent.
