Alexandra Patard

Le Football Business Et Ses Deacuterives

Alexandra Patard

Le Football Business Et Ses Dérives:

Foot-business Christian Authier, 2001 Transferts records de plusieurs centaines de millions de francs droits télévisuels multipliés par dix rachats des grands clubs européens par les multinationales de la communication en quelques années le football a basculé dans l'ère de la mondialisation du capitalisme financier et de l'argent roi Mais la marchandisation sans frein du ballon rond a son revers faux passeports pour contourner la réglementation trafic d'enfants footballeurs des pays pauvres vers les pays riches dopage massif des joueurs soumis la pression de compétitions incessantes Cette dérive spectaculaire qui change même la donne du spectacle et du jeu est elle réversible Christian Authier journaliste a mené l'enquête et brosse un tableau inquiétant des nouvelles règles du foot business

Le football business et ses dérives Alexandra

Patard, 2014-08-15 Transferts prix d'or corruption attribution de Coupes du Monde truquées Le business gangrène aujourd'hui le planète football support de toutes ses dérives Comment l'argent a-t-il transformé le milieu du ballon rond sport populaire et gratuit par excellence en un football business où les transferts négocient des coups de dizaine de millions d'euros et les droits télévisuels d'livrent prix d'or sont rois Le fair play financier promis par Michel Platini va-t-il pouvoir redresser la situation d'une profession d'criée au sein de laquelle tous les clubs sont censés se traiter sur le même piedestal Du Mondial brésilien et son budget qui a explosé dans un pays en manque d'infrastructures au Qatar et le scandale de son attribution entre magouille et politique la tête de la Fédération internationale en passant par la Russie et ses atteintes aux libertés nous verrons en quoi le football traverse aujourd'hui une véritable crise au sein de ses institutions

Le Football business Daniel Hechter, 1979

Football Business Tsjalle Van Der Burg, 2014-08-29 In this entertaining look at the financial issues at the heart of the beautiful game economist Tsjalle Van der Burg addresses the many questions raised by football's transformation from sporting pastime to big business including Is Wayne Rooney really worth more than Pel In a match between Real Madrid and the Pittsburgh Pirates baseball team who would win Could a football tax help Celtic win the most prestigious European trophy Just how much is football worth Football has come a long way from its roots in the middle of the nineteenth century as a sport enjoyed by amateurs who played for their local teams Now football is serious business and boys from Wales play football for Spanish clubs which pay 85 million transfer fees to obtain them So have the billions invested in the game improved play created more footballing legends and provided greater pleasure for the fans or is high finance breaking the beautiful game In order to answer this question Van der Burg takes us through a brief history of the business behind football from the early not for profit organizations run by committees of local enthusiasts to the massive sometimes foreign owned corporations we see today He explains what European football borrowed from the American baseball business model and what it might still learn from the way US team sports are run The book looks at the widening gap between supporter and club and explores the conflict between the common interest of all European football fans and the desire of individual clubs to generate greater revenues than their competitors through high ticket prices merchandising and pay TV After noting some

potential problems for the future such as the detrimental effect a European Super League might have on the game the book concludes by suggesting some intriguing and radical solutions
