Machiavel La Politique Du Moindre Mal:

Machiavel. La politique du moindre mal Gérard Sfez, 1999-09 De la cruauté la survie de la loi en passant par les bienfaits de la discorde civile les usages du mal sont le fil directeur de l'œuvre de Machiavel Ils concernent tout régime politique qu'il s'agisse de la Principauté ou de la République Cette dernière loin d'être le dénouement des apories du politique constitue la forme de régime préférable parce qu'elle en incarne le déploiement une échelle plus large le plus de vie accord au surcroît de la vertu Ici la liberté et l'égalité républicaine ne relèvent pas de l'humanisme civique Pensée du politique qui est celle d'un mode particulier de speculation liée la fois la positivité de l'Histoire et une critique de la cohérence brisée l'œuvre machiavélienne perturbe toute philosophie politique en ouvrant une réflexion tout autre sur l'essence de la vertu La vertu effective de la chose se laisse ainsi saisir dans une pensée de l'essai pour laquelle les perspectives ne sont pas même multiples mais incompatibles entre elles sans espoir d'unification L'agent politique Prince ou République s'il montre sa vertu alors que la Fortune le harcasse n'en reste pas moins sujet la foudre inexorable d'une chose qui ne le vise même pas

Democratic Thought from Machiavelli to Spinoza Sonja

Lavaert,2024-10-31 In the latter half of the seventeenth century Spinoza effected a reversal in the relationship between philosophy politics and religion thereby laying the foundation for modern democracy This shift and his plea for philosophical critique did not pass unchallenged The idea that there is no equality without freedom and no freedom without equality was maligned by those who insisted it would lead to rebellion and anarchy Still Spinoza was no solitary figure but formed part of a larger European movement Inspired by several anonymous clandestine treatises the republican writings of his contemporary De la Court the democratic ideas of his former teacher Van den Enden and the subversive criticism of his friend Koerbagh Spinoza continued the trajectory established by Machiavelli The resistance which his work encountered played a role in the radicalization of his ideas the return to Machiavelli s revolutionary principles and the recognition of the multitude s crucial role
