**Made to Show My Curves: Too Much to Hide (BBW, Forced Exhibition, Public Humiliation, Spanking)** Miranda Cruz,2014-07-04 Reader Advisory This story is for mature audiences only and features intensely erotic situations bdsm play spanking forced exhibition public humiliation submission and dominance All characters are 18 or older Her submission is personal but her humiliation will be public Since coming to live with her dominant Jonathon neglect and boredom have become things of Erica s past When she finishes her to do list and goes to him for a little excitement and attention little does she know that he has in mind will bring her as much excitement and attention as she will be able to handle Although Jonathon begins their outing by bribing Erica with a gift from a sex shop he is well aware that she secretly enjoys his hobby of putting her in compromising and often humiliating public situations Her secret s safe with him of course but as for the rest of what she might try to keep covered up it s all fair game Excerpt Erica I heard his voice call out softly Here sir I said through the crack Pass me out your clothes please I squirmed as conflicting emotions of dismay and excitement fought within me He didn t want to give me any choice He didn t want me to see what he had picked out for me until I had already committed and until I couldn t say no Reluctantly I folded my sweater skirt and blouse and passed them under the door Panties and bra too Erica he insisted A knee jerk objection caught in my throat and I stared helplessly at myself in the little changing room mirror I didn t know if I was ready for this and yet I trusted him It was so much easier to just be his do what he wanted and lose myself in the aftermath good and bad without any of the responsibility It felt so good being his that it almost didn t matter What happened happened Yes sir I said not trying to hide the quaver in my voice In the end I always did as he asked but I wanted him to know that this prospect frightened me more than a little I stepped out of my panties and unclasped my bra trying to imagine myself in the comfort of our home and not in the back of an unfamiliar department store with nothing to cover myself Thank you he said as he took the precious garments from my proffered hand There was a rustling and then a little bundle replaced them under the door frame I picked it up and waited for more Perhaps it just looked small I unrolled the cloth and spread it on the bench My heart sank What I had at first taken for one garment was in fact two The tank top was simple unadorned and very thin When I rolled the cloth in my hand I could see my fingers on the other side Folded inside the top was a skirt The fabric was a bit thicker but it was so short that it did not stretch more than halfway from my wrist to my elbow I looked at them in dismay and turned back to the door Isn t there more sir No more he said Now hurry up and put them on We have a bus to catch and we still need to check out I pulled the top on first It really was as see through as I had feared For better or worse I had the body type of a woman who simply can t go braless without attracting attention and the state of my breasts was at its most unmistakable now within this flimsy cloth Even I couldn t look at myself in the mirror without staring at them so what on earth were other people going to do It seemed like nothing I did could get it to hang in a normal way It insisted on clinging to me in all the most embarrassing places At least the skirt wasn t see through

for the most part On the other hand it was short enough that sitting without crossing my legs was out of the question and bending over would be well even more out of the question out of the question ten times over I turned halfway around and tried to convince myself that having a bit of ass showing even when standing wouldn't be something people would notice Sometimes it was nice having a lot of ass in the caboose and I knew that it drove Jonathon crazy but right now I would have given a lot for that part of me to be a little less prominent Alright I said I'm coming out

*Made to Show My Curves: Stealing the Show (BBW, Public Humiliation, Forced Exhibition, Spanking)* Miranda Cruz, 2014-07-12 Reader Advisory This story is for mature audiences only and features intensely erotic situations bdsm play spanking forced exhibition public humiliation submission and dominance All characters are 18 or older Jonathon has found a new toy and he believes he has a way to program it so that it will measure a woman's arousal When he catches Erica ogling a group of male models across the street from where they are having dinner he decides to bring her in on his little experiment If she can control herself and her body's responses while sitting through a male underwear fashion show she'll be free to spend the rest of her vacation exactly how she wants Eager to please and a little tipsy Jen boasts that the challenge will be easy but Robert knows her too well For each threshold you pass on the thermometer he adds you take off a piece of clothing right there and then Erica agrees secretly turned on by such high stakes but she knows that if she isn't careful arousal and humiliation will form a compounding feedback loop that will leave her the center of an impromptu exhibition more than sufficient to steal the show

Excerpt He fished in his pocket and produced a long and narrow object in a plastic case An interesting souvenir I found in the shops today he said holding it out for my inspection A digital thermometer I asked in confusion A little experiment he said A challenge for you A fun one I don't understand It's programmable he explained twisting it so that I could see several buttons at the end opposite the metal sensor I can set it to beep at preset temperatures and it's sensitive to hundredths of a degree So So that means it can be used to measure blood flow I don't And then I understood what he was saying and I realized the thought that had put that wicked smile on his handsome face I blushed furiously and crossed my legs under the table The notion was so demeaning But that was his favorite game of course putting my head and my body in conflict and confusion So you want to put it I said in trepidation That's right I took a gulp of wine It warmed my stomach and dulled my hesitations to the point that my desire to make Jonathon happy could overcome them I could tell from the look on his face that he wanted this wanted me to say yes How could I say anything else when he looked at me that way This is what we're going to do he said When I found this in the shop I decided to do a bit of reading and I think I found some numbers we can put to good use We'll set five thresholds Each time you pass one of those thresholds it'll beep If you can stay at level 3 or lower you don't have to come to the gallery with me tomorrow I swirled the wine in the glass The idea was starting to grow on me You don't think I can do it yeah Of course I do he said That's what makes it fun If I thought you couldn't win then I'd just be taking advantage of you wouldn't I He said it with a grin on his face that made it me doubt he believed what he was saying The look

was infectious and I found myself grinning back at him and wanting to rise to the challenge Men think women are always as horny as they are I've got more self control in my pinky I said wagging the finger at him Really He said delighted Then maybe we should make it more interesting Make it as interesting as you want I boasted made courageous by the wine and by his obvious pleasure at my confidence I'm not losing this one Alright Then each time the thermometer beeps you take off a piece of clothing I what Well why not You said this would be easy I didn't know how to respond He obviously wanted me to say yes but taking my clothes off Why couldn't the stakes be just a little bit lower But of course I knew the answer and if I had to be honest in the very deepest parts of me I found it a little exciting Terrifying yes but exciting

*Rewards and Punishments: A BDSM Bundle of Dominance, Submission, Discipline, and Humiliation* Jessica Whitethread, 2014-04-25 Reader Advisory These stories are for mature audiences only and contain intensely erotic situations bdsm play spanking whips bondage humiliation discipline punishment submission and dominance All characters are 18 or older Rewards and Punishments contains three BDSM themed stories of intense eroticism dominance and submission discipline spanking and humiliation in all forms The Dinner Party Centerpiece Erica's dominant Jonathon has come up with an interesting way to involve her in a dinner party he intends to throw for some of his old law school friends Although she is self-conscious around the high society that Jonathon moves in he is going to have her serve the food over the course of the evening and has designed a very special outfit for her to wear for the occasion The guests of the party will be given buttons to trigger a vibrating harness underneath Erica's dress and are encouraged to use it as a way of thanking her for her prompt service If that weren't enough an already horrified Erica is told that the penalty of spill or misstep will be to serve dessert without the harness or the dress As the night unfolds her attempts to avoid this terrifying prospect may accomplish nothing but to place her at the center of a spectacle more provocative than anything originally planned Awakening of a Submissive When Annie agrees to accompany her dom to visit an old friend of his in the BDSM scene she does so to make him happy but the prospect of engaging in role play with a strange man terrifies her Her introduction to Christian Fortier and a glimpse of his treatment of the women that live with him in his Cambridge townhouse only intensify her apprehension although other more confusing emotions begin to make themselves known within her as well If she can only open herself to his experienced and almost invasively perceptive control this mysterious figure offers to banish her confusion and show her the depths and rewards of submission beyond anything she has encountered before Over My Boss's Knee Emma's young and handsome boss has always taken a special interest in her ever since she first came to work for him at the age of sixteen After Emma loses the order form of a very important client he punishes her as he often has before with a sound spanking But on this occasion she settles onto his lap to savor her punishment under his strong hands only soon to find herself in the throes of a very loud orgasm When questioned she is forced to admit that she has always been hopelessly aroused by the discipline her boss administers Now that all feelings are out in the open will this day prove a nightmare or fulfill the fantasy she has never allowed herself to

**Yielding Curves: Household Discipline (BBW, Discipline, Public Spanking)** Miranda Cruz,2014-09-19 Reader Advisory This story is for mature audiences only and features intensely erotic situations BBWs bdsm play discipline public spanking submissiveness and dominance All characters are 18 or older Victoria s first hours in her new master s house have been intense ones but she knows they have only scratched the surface Before she has done little more than catch her breath it s time to meet the other submissives in the master s household and learn just exactly what she has gotten herself into Far from being allowed to wade in slowly Victoria s initiation into this tight little community will mean getting tossed directly into the center of its many different flavors of discipline and power play By the time her first morning has come to a close she will have a lot more to think about than why there isn t a number on the mailbox Excerpt Yes Master several of them agreed and the others nodded obediently Her shorter time here makes it all the more important that her experience is a positive one Again they agreed smiles breaking onto some of their faces I could feel excitement rising in the room There was a slight teasing note in Master s voice It was as though he and the women at the table were in on an inside joke as though they all knew what was coming and Master was being deliberately slow in getting to it tantalizing them under the guise of introducing me Slowly Master strode to the head of the table a hand stroking his chin and that infectiously mischievous smile on his lips For those of you who haven t heard he went on Victoria and I encountered each other at her audition for the Tremboix Society Isn t that right Yes Master I agreed He nodded his hands splayed lazily on the wooden table and his eyes closed Quite a performance A slight rustling passed through his audience When he reopened his eyes they fell as though by coincidence upon a small spiral bound notebook lying in the center of the table which I had not noticed And what s that The Log he said as though surprised He reached out one hand and drew it towards him A collective shiver along the table confirmed that whatever had everyone so on edge had a great deal to do with that unremarkable little book He licked a

finger drew it open and flicked through several pages My goodness he said Look at this Would you look at this Four days I m away and you ladies acquire a rap sheet like this He tutted softly turning a page back and then forward again Now I understand the nervousness We have some serious accounts that need settling don t we The sighs and shivering had stopped He now commanded the room in utter silence Who was my record keeper this week he asked Me Master a blonde woman seated two down from the end answered him She had long elegant limbs and a delicate face that was fixed in an expression of nervous expectation a strange mixture of dread and excitement Even sitting down she was two inches taller than the women to either side of her and her pale skin was flushed Master shook his head and tutted again Naomi Naomi Naomi All this happens when I leave you in charge Naomi seemed to be holding her breath Master looked at her paralyzed blushing form That s ten spansks isn t it For a house poorly run Around the table the women nodded in confirmation Would you come up here please where everyone can see you Naomi rose carefully from her chair and made her way around the table Master took his own chair and turned it around so that the back of it faced the room Naomi stopped beside him and stood waiting with nervous hands clasped over her bare stomach Apologize to everybody please They are going to be punished because you couldn t keep them in line If you had done your job none of this would be necessary She turned and faced the onlookers I m sorry she said in a weak voice I should have been better She seemed to include me in her apology Not yet understanding what that meant I took it to be flattering Already I was a part of something

**Yielding Curves: Standards of Obedience (BBW, Discipline, Submission, and Exhibition)** Miranda Cruz, 2014-08-04 Reader Advisory This story is for mature audiences only and features intensely erotic situations bdsm play spanking forced exhibition public humiliation submission and dominance All characters are 18 or older Victoria s partner David has always been a gentle and forgiving dominant often indulging her whims and preferring to let her play her part rather than resort to harsh discipline or exploit her naturally trusting ways But Victoria s obedience has begun to slip and David is forced to accept that a change is needed To begin anew he invites a fellow dominant and his submissive to dinner thinking that their much stricter relationship might provide the eye opener he is loathe to inflict directly on his supposedly fragile submissive Victoria is excited at the prospect but soon realizes that the evening will be far more intense than she is prepared for As the night escalates she will find herself torn between her natural reservations and the need to prove herself an equal of the visiting submissive in the eyes of their men In shockingly little time the drive to prove her devotion and obedience will have her doing things she never thought she could do and still falling short Excerpt I looked up Unintentionally my eyes flicked first to the man standing on the threshold His face was dark and intelligent and his cheeks were angular in a very becoming way He wore an immaculate suit and a coat was folded over an arm Quickly I looked away knowing I had permission only to seek out my counterpart I followed the direction the man s hand indicated and took in a beautiful woman slightly larger and perhaps a year younger than me Her hair was dark and tied back and a studded leather collar adorned her throat She wore a tight low cut leather vest and white

leather skirt that emphasized the ample curves of her body Her black stockings led down into three inch stilettos I gave her a small smile thinking that it was my role to welcome her into the penthouse She only returned my look with very large eyes and a meek expression that did not seem to acknowledge my existence Show her into the dining room Ewan instructed me David and I have some things to discuss in his office before dinner Yes sir I said I turned and led her out of the entrance hall and around into the dining room Her footsteps were small and clicked quietly on the hardwood floor I went to offer her a chair but when I turned I saw that she had taken a kneeling position on the floor a few steps back from the chair I had offered her Were we not allowed at the table A little taken aback I watched her She was sitting back on her heels with her eyes fixed on the floor in front of her Her posture was stiffly erect and expectant her chest was thrust out and her hands were clasped behind her back Her behavior made me second guess myself I had assumed we would sit at the table but now I didn t want to do anything out of turn The point of this dinner was to learn after all A little dubious I walked over and lowered myself beside her I did my best to imitate her position as well but looking first at her and then back at myself I found that I couldn t entirely manage it Have you and Ewan been together long I asked feeling a little silly as we knelt together on the floor Joanna did not respond right away She shifted slightly still staring intently at the floor Master says it s wrong to talk to other submissives without his permission she said Oh sorry I said at a loss I cast a sidelong glance at her rigid form Was this what was expected of me Was this the standard I was going to be held to I didn t really know what to make of it She obviously took satisfaction in being this way and I couldn t deny that it turned me on a little bit the way Ewan controlled her completely and unequivocally even in absentia Would I be that way Would I be able to be We waited in silence for maybe twenty minutes I couldn t see a clock but it felt like a very long time Doubts surfaced swirled and then faded only to rise again

**A Revealing Spanking (BBW, BDSM): My Boss Wanted to Punish Me, My Body Misinterpreted** Miranda Cruz,2014-05-29 Reader Advisory This story is for mature audiences only and features intensely erotic situations bdsm play spanking humiliation discipline punishment submission and dominance All characters are 18 or older Emma s young and handsome boss has always taken a special interest in his curviest employee ever since she first came to work for him at the age of sixteen After Emma loses the order form of a very important client he punishes her as he often has before with a sound spanking But on this occasion she settles onto his lap to savor her punishment under his strong hands only soon to find herself in the throes of a very loud orgasm When questioned she is forced to admit that she has always been hopelessly aroused by the discipline her boss administers Now that all feelings are out in the open will this day prove a nightmare or fulfill the fantasy she has never allowed herself to believe was possible Excerpt After that long delightful moment had passed I opened my eyes He had stopped hitting me The room was quiet I could feel a dribble of liquid running down the inside of my thigh and seeping into the fabric of his pants Stand up Emma he said quietly Shakily and with his help I lifted myself off his legs and started to stand I wobbled for a moment and then found my balance and he took his steadying hands away I kept

my eyes locked on the ground I couldn't bear to look at him That's never happened before he said his tone deceptively mild My cheeks burned hotter but I could not think of anything to say Would you care to explain it My eyes locked on the floor and my face growing redder still I shook my head I thought I was joking when I said you enjoyed being disciplined he said But it's true isn't it I bit my lip trying to tell myself this was all a bad dream and what had just happened had not actually happened All this time I thought I was punishing you when you got out of line but you've been enjoying it Answer me I drew in a shuddering breath and managed to look at his feet Yes sir I said I physically recoiled as the word sir emerged from my mouth again I'm sorry I blurted close to tears I never I mean it's just I didn't mean to I'm sorry I don't try to make you angry with me or anything It's just the way it affects me The way being around you I clamped a hand over my mouth horrified that I had said too much Even without glancing up I could feel the way he was looking at me I stared at the floor and noticed that my skirt was still pulled up and my panties still bunched Another hot wave of humiliation rose in me at the sight of my ripe over generous body exposed the way it was and I hurriedly straightened my underwear and pulled my skirt down Perhaps this explains a few things he said Maybe I should not be so surprised Maybe it's my fault that I did not see it before I dared a shy glance up at him to see how mad he looked To my relief his expression was thoughtful rather than the anger or betrayal I had dreaded seeing there Well clearly Emma the arrangement we have been operating under cannot continue can it You've given me a lot to think about Nervously I straightened my skirt again If only he would say something definite something to indicate how he felt about this I could not deny that a small part of me wanted him to be glad or maybe even a little intrigued But that was just a childish fantasy too much to hope for I think it would be best if you took the afternoon off he said after a moment But it's clear we need to talk about this when there isn't work to be done Come by my apartment would you after I've locked up for the night I bobbed and nodded Yes sir I shook my head as though to clear it and began to move towards the door And Emma he said Yes You haven't lost any more orders you might want to tell me about have you I shook my head even my ears burning at this final jab and left the room
