In addition to this the book contains comic strip which increases the readability quotient and make the reading experience for the children more exciting. The book also includes 5 Online Mock Olympiad Tests designed on the pattern of various prominent national Olympiad exams conducted across the various schools in India. With the vision to remove all the misconception a child may have pertaining to the subject relate his knowledge to the real world and to develop a deeper understanding of the subject this book will cater all the requirements of the students who are going to appear in Olympiads.

One, Two, Buckle My Shoe Nancy Cole Lutz, 2012-10-22 NOT STATISTICS BUT INDIVIDUALS live in these stories of personal quests to develop successful learning strategies. These three students illustrate different learning styles. One student was a strong visual learner with a need to acquire speaking and listening skills. One exhibited such speed of thinking that he could not physically record his thoughts legibly. One had such a strong auditory learning style that spelling both predictable and unpredictable words frustrated her. No one method could satisfy the needs of these elementary students. Instead approaches tailored to their needs were designed so that their academic careers would be enhanced. **Primary School Teachers Skills To Help Dyscalculic Children** Geetha; N.
