English Cottage SARA. ROSETT, 2019-02-11 Large Print Edition Location scout Kate Sharp returns to a quaint English village to work on a Jane Austen documentary Tragedy strikes when a cottage catches fire and a stranger is killed Soon it s evident that the fire wasn t an accident but murder Death in an English Cottage is book two in the popular Murder on Cold in the Earth (Mitchell & Markby 3) Ann Granger, 2010-12-09 Even the quaintest of villages has its perils and deadly secrets that cannot be buried Mitchell and Markby have to dig deep to find a murderer in Cold in the Earth the third English village crime novel in Ann Granger's Mitchell Markby series The perfect read for fans of Ruth Rendell Agatha Christie and ITV s Midsomer Murders Set in the familiar mode of traditional country crime stories there is nothing old fashioned about the characters who are drawn with a telling eye for their human foibles and frailties Oxford Times To Meredith Mitchell marooned in a dusty London flat the Cotswolds seem like a haven of peace and tranquillity But Chief Inspector Markby has a rather different view of his native area as he witnesses the bulldozing of one of his favourite boyhood haunts to make way for yet another housing estate And when a man's body is found buried in the foundations of one of the plots his outlook turns even grimmer The only cheering prospect on the horizon is Meredith's forthcoming visit The dead man however remains a mystery the labourer who dug up his body has disappeared and the farmers whose lands abut the burial site are little help Charming eccentric Mrs Carmody treats Markby whom she has known since he was a boy with fond familiarity and Mrs Winthrop at the neighbouring farm is happy to supply him with tea and scones but gives little else away The time has come for someone with a different perspective to see what they can glean And Meredith blessed with an uncanny ability for ferreting out the truth seems the obvious candidate What readers are saying about Cold in the Earth There are plenty of suspects in this well written murder mystery and some interesting historical background as well A splendid story Ann Granger as always breathes life into her characters and in this novel she also creates a threatening atmosphere Murder Among Us (Mitchell & Markby 4) Ann Granger, 2010-12-09 A dispute between an entrepreneur and the village locals turns deadly A gala turns grisly in Murder Among Us the fourth probing mystery in Ann Granger's gripping Mitchell Markby series The perfect read for fans of Ann Purser Agatha Christie and ITV s Midsomer Murders Told with humour and a most engaging worldliness Birmingham Post When ambitious hotelier Eric Schuhmacher announces he is to turn Springwood Hall near the market town of Bamford into a smart Cotswold country house hotel the news is greeted by a chorus of local disapproval led by the redoubtable Hope Mapple So the gala opening to which all the disaffected parties have been invited promises to be quite an event not least because the amply upholstered Hope Mapple is planning a disruptive streak protest But Hope's lightning dash is unexpectedly upstaged by a far more shocking event the discovery of a recently murdered body on the premises The victim is a local woman and for Chief Inspector Markby and his quest Meredith Mitchell what had promised to be a diverting summer treat suddenly turns into a horribly serious affair What readers are saying about Murder Among Us A truly intriguing and sympathetic book A wonderful village mystery that satisfies on all levels Her Ann
