Musings Ma Ra, 2018-07-20 What happens when attraction becomes affection It is when you see the person you heave a sigh It is when you see their smile your dismal day becomes sunny and bright It is when you hear their voice you go uh oh while your heart dances a do si do It is when you look into their eyes and all of a sudden thousands of shooting stars flicker and a vibrant moon bow starts illuminating the night sky And endless thoughts about the person start inhabiting your mind and you can not stop musing Musing that's what happens when attraction becomes affection It is when you still see them even if you close your eyes It is when you smile every time you think of them It is when you dance even to a silent tune It is when your normal day becomes extraordinary just because you remember them Now all your days and nights are occupied with thoughts of them and your journal is filled with your Musings
