*Five Years of Bad Coffee* Nelson Christensen,2005-11 Prison is in many ways not as bad as one expects and in some ways it is worse It was different for me as a white 58 year old professional with no prior record than it was for many of my younger fellow inmates In a strictly physical sense prison is generally not dangerous or brutal You can safely drop the soap Just don t bend over to pick it up It s every middle class American s worst nightmare One day author Nelson Christensen was a successful and respected attorney The next he is charged with fraud and embezzlement and is on his way to several years in prison Landing first in a tough and nasty high security prison then in a remote forest labor camp and finally herding cows on a prison farm Christensen lives in close confinement and works with men of all races most of them half his age He is beat up twice by fellow inmates for comments he makes from his smart ass lawyer s mouth After resolving to do good time Christensen decides to make the best of his situation He works hundreds of hours with significant success in preparing appeals and petitions for his fellow prisoners He also writes songs and poems about his experience and is a popular entertainer among his peers and the staff Five Years of Bad Coffee is an upbeat inspiring story about a man who resolves to face the punishment for his crimes and in the end comes out a better person from the experience      **Free Russia** ,1892

**Strafvollzugslager Der SS- Und Polizei** Stuart B. T. Emmett,2017-06-23 Previously unpublished photographs depicting the Strafvollzugslager environs Previously unpublished letters written by convicts which describes their hopes and yearnings Unprecedented detailed biographies of the SS guards and convicts which include details of their post war fates Written with the assistance of veterans families their unselfish access to their archives has resulted in a unique publication Strafvollzugslager der SS und Polizei Himmler s Wartime Institutions for the Detention of Waffen SS and Polizei Criminals is a book that the SS Leader Heinrich Himmler would not have wished written Preferring that this corner of SS history remained forever in the shadows in unprecedented detail this study illuminates the reasons why Waffen SS and policemen were imprisoned in purpose built institutions and describes the regulations governing their detention Revealing details of their daily life veterans families have contributed to this book in an effort to enumerate the lives of those tasked

with the prisons operation Tasked with ensuring the convict s National Socialist spirit remained undamaged by their punishment these guards provided the malfeasance elements of Himmler s Army with a suitable SS environment Eventually these institutions become portals through which inmates returned to the Front and this process is examined alongside a history of the various field probation units Here Himmler commanded the parolees face death or serious wounding as the means to earn their full rehabilitation Case histories are tendered throughout and describe the crimes and punishments imposed on those who brought shame on the SS

Solitary Albert Woodfox,2019-03-12 An uncommonly powerful memoir about four decades in confinement A profound book about friendship and solitary confinement in the United States New York Times Finalist for the Pulitzer Prize and the National Book Award Solitary is the unforgettable life story of a man who served more than four decades in solitary confinement in a 6 foot by 9 foot cell twenty three hours a day in Louisiana s notorious Angola prison all for a crime he did not commit That Albert Woodfox survived at all was a feat of extraordinary endurance That he emerged whole from his odyssey within America s prison and judicial systems is a triumph of the human spirit While behind bars in his early twenties Albert was inspired to join the Black Panther Party because of its social commitment and code of living He was serving a fifty year sentence in Angola for armed robbery when on April 17 1972 a white guard was killed Albert and another member of the Panthers were accused of the crime and immediately put in solitary confinement Without a shred of evidence against them their trial was a sham of justice Decades passed before Albert was finally released in February 2016 Sustained by the solidarity of two fellow Panthers Albert turned his anger into activism and resistance The Angola 3 as they became known resolved never to be broken by the corruption that effectively held them for decades as political prisoners Solitary is a clarion call to reform the inhumanity of solitary confinement in the United States and around the world

The Performance of Human Rights in Morocco Susan Slyomovics,2005-02-09 Since independence in 1956 large numbers of Moroccans have been forcibly disappeared tortured and imprisoned Morocco s uncovering and acknowledging of these past human rights abuses are complicated and revealing processes A community of human rights activists many of them survivors of human rights violations are attempting to reconstruct the past and explain what truly happened What are the difficulties in presenting any event whose central content is individual pain when any corroborating police or governmental documentation is denied or absent Susan Slyomovics argues that funerals eulogies mock trials vigils and sit ins public testimony and

witnessing storytelling and poetry recitals are performances of human rights and strategies for opening public space in Morocco The Performance of Human Rights in Morocco is a unique distillation of politics anthropology and performance studies offering both a clear picture of the present state of human rights and a vision of a possible future for public protest and dissidence in Morocco     **Proceedings of the Parliament of South Australia** South Australia.
