Lesbian Romance Eliza Duncan, 2016-09-27 Download for FREE with Kindle Unlimited This is a 8 000 words CLEAN stand alone story with an HEA so no cliff hangers Denise and her son were never close until he was an adult They have finally built a close relationship now that he is in college She decides that it is time to tell him why she and his father got a divorce she is gay Myrtle doesn't get along with her mother Her mother is a born again christian who does not approve of her lifestyle When her mother brings a former homosexual to talk to her it's the last straw She runs away from home and runs

into Adam He takes her into his dorm room and takes care of her She pretends to like him so that she can stick around But something goes wrong when she meets his mother and is hopelessly attracted to her EXCERPT FROM BOOK This was something like twentieth of these dinners that she and Adam had taken part in but it didn't make Denise less nervous for this particular dinner This one was going to be different She had made up her mind She was going to share something with her son that she had not been able to come to terms with for herself until she was nearly forty years old It was kind of a big deal She felt that her relationship with Adam had progressed to the point where she felt comfortable sharing that kind of information with him Of course she knew that it was always possible for him to take it poorly to be angry frustrated or upset She knew that was not just a possibility but often a distinct possibility in these types of situations She had done this before Just not with her son She pulled into the university's guest parking lot and shut off her car She stayed for a moment with the car running just sitting there with her eyes closed taking deep breaths She was forty five and still having trouble It never got any easier for her She passed people on the street sometimes or saw them on television or heard them on the radio and she was jealous of how easy it was for them to claim what they were They not only claimed it but were proud of it Even at her age Denise can mostly be said to have come to terms with it She had never participated in a parade or a march or anything like that She told herself it was because she was a private person didn't like to share too much with other people But that wasn't the truth The truth was that she was still a little bit ashamed She was a part of a generation that had not accepted her and she was still letting that define who she was AUTHOR'S NOTE This is a stand alone story with an HEA so no cliff hangers Story contains mature themes and language and is intended for 18 readers only [My Lucky Star](#) Kelsey Blaine, 2020-04-03 What does a little alcohol and a lot of sexual tension get you Well in Heather and Gina's case one night of rugged passion Gina I have been told all my life that I defy all the red haired stereotypes I am cool I am calm and I am collected that is the only reason I survive after taking the most stressful job as the personal assistant to one of the biggest names in Hollywood I expected her to act like a princess her reputation preceded her I however didn't expect to find myself in her bed one drunken night and I definitely didn't expect to have my world rocked Heather I am used to getting my way that is how it has always been since my mom took me to a talent show and I showed the world what I was made of everybody gets me what I want because of what they can get from me and it gets tiring In walks Gina more than ten years younger than me but way more mature and she doesn't cower to my will like the others but instead treats me like any ordinary person I like it I like her no surprise then that we end up in bed together A Standalone Short Story with No Cliffhanger KEYWORDS Lesbian Romance FF romance Lesbian romance novels books first time lesbian books true event stories LGBT romance books FF romance sex LGBT romance fiction New adult romance Young adult romance First time lesbian romance **The Exchange Student: An Erotic Adventure (First Time Lesbian Erotic Age Gap Romance)** Victoria Rush, 2020-12-16 Enjoy this toe curling lesbian erotica series by acclaimed romance author Victoria Rush When Jade decides to host a foreign exchange student
