Homemade Meals for Cats and Dogs Cathy Alinovi, Susan Thixton, 2020-03-03 75 Veterinarian Approved Meals for Healthy Pets Now Grain Free There s a reason why pets beg at the table they want real food Not the kibble manufactured by pet food companies transformed beyond recognition drained of natural nutrients and a far cry from fresh meat vegetables and grain If we as human beings are so dedicated to preparing healthy homemade meals for ourselves in the comfort and safety of our own kitchens shouldn t we be doing the same for our beloved pets Homemade Meals for Cats and Dogs is a collection of more than fifty cat and dog food recipes that will teach you how to whip up a fresh balanced meal for your hungry critters Written by a veterinarian certified in food therapy and an advocate for pet food safety these recipes are also based on the National Research Council requirements for dogs and cats Debunk the myth that pet food companies

are the only entities qualified to feed your pets Instead beat pet obesity disease and sickness by reaching into your pantry or refrigerator turning on the stove and starting to cook yourself Making food at home will also decrease those exorbitant pet food bills It s time to go back to the table Know exactly what your pet is eating and serve it a variety of real food that it deserves Be a responsible pet parent by balancing your pet s diet and pleasing its palate Cooking for your pet is paws ible

Behavior Problems of the Dog and Cat Gary Landsberg, Wayne Hunthausen, Lowell Ackerman, 2012-12-14 Formerly the Handbook of Behavior Problems of the Dog and Cat the new edition of the definitive guide to the diagnosis and treatment of behavior problems of the dog and cat has been extensively updated It retains the highly practical approach that has proved so successful in previous editions offering diagnostic guidelines preventative advice treatment guidelines and charts case examples client forms and handouts and product and resource suggestions along with details on the use of drugs and natural supplements to help optimize the behavior services offered in practice To add to these features the third edition is now fully referenced there is significant new content the book as been written with the entire hospital team in mind and many color images have been added The new edition welcomes a wide international mix of new contributors from Australia Spain Mexico and the United States A website link gives access to the handouts and forms previously found on disk As well as fulfilling its original purpose as a practical tool for the busy clinician this edition offers valuable and useful support material for all those studying the field of companion animal behavior Now in full color and using a revised format Behavior Problems of the Dog and Cat remains the most complete up to date and practical resource for the treating and diagnosing canine and feline behavior problems Many hot new topics covered including stress and its effects on health and behavior and pain assessment and management Three chapters are added dealing with canine and feline communication how to distinguish behavioral versus medical problems and how to deal with fear and aggression in the clinic Now thoroughly referenced to the scientific literature Includes updates on drugs and natural therapeutics Pain assessment charts now included All new color format offers extra illustrations throughout [Nutrition and Management of Dogs and Cats](#) ,1989 [Canine and Feline Nutrition](#) Linda P. Case, Leighann Daristotle, Michael G. Hayek, Melody Foess Raasch, 2010-05-19 How well can you answer pet owners questions about proper diet and feeding Canine and Feline Nutrition 3rd Edition describes the role of nutrition and its effects upon health and wellness and the dietary management of various disorders of dogs and cats By using the book s cutting edge research and clinical nutrition information you ll be able to make recommendations of appropriate pet food and proper feeding guidelines Pet nutrition experts Linda P Case MS Leighann Daristotle DVM PhD Michael G Hayek PhD and Melody Foess Raasch DVM provide complete head to tail coverage and a broad scope of knowledge so you can help dog and cat owners make sound nutrition and feeding choices to promote their pets health to prolong their lives Tables and boxes provide quick reference to the most important clinical information Key points summarize essential information at a glance A useful Nutritional Myths and Feeding Practices chapter dispels and corrects common food myths New clinical information covers a
