My First Wife:

My First Wife ,1984 My First Wife is about the dramatic collapse of the marriage between John John Hargreaves and Helen Wendy Hughes It is also a film about our children and the future we offer them Helen has decided to leave and it is John who lacks the inner resources to cope with the impending tragedy Slowly he is sucked into a tunnel of despair fighting his conservative nature and the romantic memories of his married life We must love one another or die W H Auden said in 1939 This sentiment is very much at the heart of the story My First Wife pleads for more patience more understanding more tolerance and more care for our loved ones and if the time for parting arrives to be more careful with the way we say goodbye

Polygynous Marriages among the Kyrgyz Michele E. Commercio,2022-12-06 During Soviet rule the state all but imposed atheism on the primarily Islamic people of Kyrgyzstan and limited the tradition of polygyny a form of polygamy in which one man has multiple wives Polygyny did continue under communism though chiefly under concealment In the decades since the fall of the Soviet Union the practice has reemerged Based on extensive fieldwork *Polygynous Marriages among the Kyrgyz* argues that this marriage practice has become socially acceptable and widely dispersed not only because it is rooted in customary law and Islamic practice but because it can also enable men and women to meet societal expectations and solve practical economic problems that resulted from the fall of the Soviet Union Michele E Commercio s analysis suggests the normalization of polygyny among the Kyrgyz in contemporary Kyrgyzstan is due both to institutional change in the form of altered governmental rules and expectations and to institutional endurance in the form of persistent hegemonic constructions of gender
