Times bestselling and award winning author Wesley King Benny isn't your average boy from Newfoundland. He lives in a retirement home that his mother runs; he has an eighty-six year old best friend named Mr Tom; he knows more about fixing boats than video games; and he has Mosaic Down syndrome. When Benny transitions to a mainstream classroom for the first time, the other students tease him for his differences except for Salma. She's new too and not your typical Newfoundland girl: she's tech savvy, speaks Arabic, plays basketball, and isn't afraid to eat lunch with Benny. So when Salma's grandmother and several other residents in the retirement home are robbed, Benny asks Salma to help him catch the thief. Time is not on their side as an inspector threatens to close the home. And to make matters worse, Benny and Salma must crack the case while working on a class assignment with their bullies. Can Benny save his home and take a stand against the bullies once and for all? He's about to find out by ys **Translating Dissent** Mona Baker, 2015-10-30. Written by the winners of the Intranews Linguists of the Year award for 2016. Discursive and non-discursive interventions in the political arena are heavily mediated by various acts of translation that enable protest movements to connect across the globe. Focusing on the Egyptian experience since 2011, this volume brings together a unique group of activists who are able to reflect on the complexities, challenges, and limitations of one or more forms of translation and its impact on their ability to interact with a variety of domestic and global audiences. Drawing on a wide range of genres and modalities from documentary film and subtitling to oral narratives, webcomics, and street art, the 18 essays reveal the dynamics and complexities of translation in protest movements across the world. Each unique contribution demonstrates some aspect of the interdependence of these movements and their inevitable reliance on translation to create networks of solidarity. The volume is framed by a substantial introduction by Mona Baker and includes an interview with Egyptian activist and film maker Philip Rizk. With contributions by scholars and artists, professionals and activists directly involved in the Egyptian revolution and other movements, **Translating Dissent** will be of interest to students of translation, intercultural studies, and sociology, as well as the reader interested in the study of social and political movements.
