Jeacutesus Le Christ Et Les Christologies

Gérard Rochais,Chrystian Boyer

Jeacutesus Le Christ Et Les Christologies:

The Trinitarian Christology of St Thomas Aquinas Dominic Legge, 2017 The Trinitarian Christology of St Thomas Aquinas brings to light the Trinitarian riches in Thomas Aquinas's Christology Dominic Legge O P disproves Karl Rahner's assertion that Aquinas divorces the study of Christ from the Trinity by offering a stimulating re-reading of Aquinas on his own terms as a profound theologian of the Trinitarian mystery of God as manifested in and through Christ Legge highlights that for Aquinas Christology is intrinsically Trinitarian in its origin and its principles its structure and its role in the dispensation of salvation He investigates the Trinitarian shape of the incarnation itself the visible mission of the Son sent by the Father implicating the invisible mission of the Holy Spirit to his assumed human nature For Aquinas Christ's humanity at its deepest foundations incarnates the very personal being of the divine Son and Word of the Father and hence every action of Christ reveals the Father is from the Father and leads back to the Father This study also uncovers a remarkable Spirit Christology in Aquinas Christ as man stands in need of the Spirit's anointing to carry out his saving work his supernatural human knowledge is dependent on the Spirit's gift and it is the Spirit who moves and guides him in every action from Nazareth to Golgotha

Jésus, le Christ et les christologies Bernard Xibaut, Joseph Doré, 2012-12-19T00:00:00+01:00 Comment Jésus Christ est-il la fois Jésus homme inscrit dans son temps et Christ Messie et Fils de Dieu Cette question s'est posée dès l'origine aux disciples et se pose bien aujourd'hui toute personne croyante ou non qui s'interroge sur son existence C'est cette question précisément que s'est consacrée la collection Jésus et Jésus Christ créée et suivie depuis plus de trente ans par le père Joseph Doré entre temps devenu vicaire de Strasbourg Un un il a choisi et convaincu les artisans des cent livres du projet Jésus Christ y est ainsi étudié à travers les différentes étapes de sa vie de son enfance sa résurrection et dans sa postérité celle des Pères de l'Eglise des mystiques ou des théologiens et à travers les différentes confessions chrétiennes La Tradition et le magistère donc mais pas seulement car Mgr Doré a tenu à se faire attentif au regard des autres sur le Christ celui des différents continents et des grandes traditions religieuses le judaïsme l'islam l'hindouisme et le bouddhisme mais aussi celui des philosophes et en particulier ceux du soupçon Marx Nietzsche et Freud ou celui des artistes de la littérature au cinéma C'est donc un travail christologique hors du commun qui est présent dans ce dernier numéro de la collection en forme de conclusion chaque ouvrage y est résumé et replacé dans une perspective plus globale celle de son intérêt pour la christologie

Reconfiguring Thomistic Christology Matthew Levering, 2023-03-30 Unites eschatologically charged biblical Christology with metaphysical and dogmatic Thomistic Christology by highlighting shared typological Christologies

Theology and Christology in the Fourth Gospel Gilbert van Belle, Jan Gabriël Van der Watt, P. J. Maritz, 2005

Engaging the Doctrine of Jesus (and Mary) Matthew Levering, 2025-03-10 The six chapters of this book focus upon Jesus' conception and birth from a virgin his authoritative teaching his miracles his cross his resurrection and his ascension The purpose of the book is to articulate and defend the truth of these salvific mysteries as presented to us in Scripture In addition to conversing

extensively with historical critical biblical scholarship the chapters make recourse to the theological tradition from the church fathers onward with Thomas Aquinas as a touchstone Levering seeks to make a case for believing in Jesus At the same time he shows how each of these mysteries is intimately linked with a truth about Mary the Mother of Jesus thus arguing for the integral relationship of Christology and Mariology Mary enacts the reception of the Lord by God s faithful people the New Adam never chooses to be without the New Eve in God s new covenant family The Christology offered in this book is therefore both attuned to historical studies of Jesus and Second Temple Judaism and at the same time deeply traditional in a contemporary Catholic and ecumenical way

The Expression 'Son of Man' and the Development of Christology Mogens Müller,2008 Son of Man is practically the only self designation employed by Jesus himself in the gospels but is used in such a way that no hint is left of any particular theological significance Still during the first many centuries of the church the expression as it was reused was given content first literally as signifying Christ s human nature Later Son of Man was thought to be a christological title in its own right Today many scholars are inclined to think that in an original Aramaic of an historical Jesus it was little more than a rhetorical circumlocution referring to the one speaking Mogens Müller s *The Expression Son of Man and the Development of Christology A History of Interpretation* is the first study of the Son of Man trope which traces the history of interpretation from the Apostolic Fathers to the present concluding that the various interpretations of this phrase reflect little more than the various doctrinal assumptions held by its interpreters over centuries
