La Liberté et la Victoire De L'esprit:

Iberia Won - A poem descriptive of the Peninsular War Terence McMahon Hughes, 2017-06-24 The following work is the result of six years residence in the Peninsula devoted to literary pursuits It contains the fruits be they mature or otherwise of many excursions through Spain and Portugal of considerable opportunities of observation and much familiarity with localities and people as well as of meditative habits in an isolated life which during the last three years especially has been compelled by severe sickness Love and admiration of the British Islands whose climate would be fatal to me except during two or three summer months have been fostered by constrained absence and my attention having been strongly turned to the great Peninsular struggle I have consulted every accessible work and every surviving authority within my reach that could illustrate a theme with which my mind has been filled for years While I have endeavoured iv to sustain the glory of England I have striven to award a meed of truthful but generous justice to her Allies and have not thought it requisite to depreciate the well earned fame of France Yet even while celebrating the most splendid military achievements it has been my aim to inculcate a horror of the bloody arbitrament of War Determined to perfect the work so far as in me lay I last year traversed the whole Peninsula from East to West at the constant risk of a very precarious life which might thus perhaps become not utterly valueless and acquired the advantages to be derived to my labours from visiting the following battle grounds Bayonne and the Adour the Nive St Pierre the Nivelle the Bidasoa San Marcial Vera Sauroren San Sebastian Vitoria Talavera Almaraz Albuera and Badajoz having previously visited most of the battle fields in Portugal and in Northern and Southern Spain The task which I have undertaken and accomplished according to my means was an ambitious one yet honourable I scarcely dare to hope for success **Iberia Won** Terence McMahon Hughes, 2021-01-01 Excerpt from Iberia Won

But we weak minstrels of a laggard day Skilled but to imitate an elder page Timid and raptureless can we repay The debt thou claim st in this exhausted age Thou giv st our lyres a theme that might engage Those that could send thy name o er sea and land While sea and land shall last for Homer s rage A theme a theme for Milton s mighty hand How much unmeet for us a faint degenerate band *Iberia Won* T. M. Hughes, 1847 *Iberia Won; a Poem Discriptive of the Peninsular War; with Impressions from Recent Visits to the Battle Grounds, and Copious Historical and Illustrative Notes* T. M. Hughes, 1847

Iberia Won (A Poem) Terence McMahon Hughes, 2024-12-25 *Iberia Won* A Poem by Terence McMahon Hughes is a powerful and evocative narrative poem that transports readers to the Iberian Peninsula where the themes of victory struggle and cultural richness are woven together in a seamless poetic tapestry Hughes captures the spirit of Iberia through vivid imagery and a deep connection to its history landscape and people The poem explores the triumphs and trials faced by the region delving into its rich heritage complex social dynamics and the historical battles that have shaped its identity Hughes lyrical and poignant language brings to life the essence of Iberia its breathtaking landscapes its cultural evolution and the enduring human spirit that continues to define the region *Iberia Won A Poem* is not merely a recounting of historical events

but a celebration of the cultural heartbeat of Iberia with its lush traditions and tumultuous past As the poem unfolds readers are immersed in a blend of personal reflection and historical narrative Hughes mastery of poetic form creates an intricate rhythm that mirrors the ebb and flow of Iberia s journey from its conflicts to its moments of triumph The poem offers both a celebration of victory and a meditation on the struggles that accompany it providing readers with a nuanced understanding of the Iberian experience Iberia Won A Poem appeals to those with a deep appreciation for historical poetry and is particularly compelling for readers fascinated by Iberian culture and history Hughes ability to blend narrative storytelling with the art of poetry makes this work a memorable and thought provoking read inviting readers to reflect on the power of culture history and human resilience
