Word order variation in Italian and Spanish why-interrogatives Svenja Krieger, 2024-12-16 Questions that are introduced by the wh element why are special For instance in Italian and Spanish they allow the subject to occur in preverbal position in contrast to other wh interrogatives The overall goal of this book is to investigate the syntactic and discourse particularities of why interrogatives in Italian and Spanish More specifically based on a parallel corpus study and several experimental studies the factors that affect subject positioning in why interrogatives are determined In Italian focus plays a determining role while subject type and the heaviness of the subject affect its position in Spanish After discussing

previous accounts that address the differences between the two languages an alternative approach is presented that builds on differences in the checking of the extended projection principle Additionally the special syntactic position of why is further supported by investigating a so far unnoticed intervening element in the context of why interrogatives namely vocatives Finally subject positioning in Italian why interrogatives is examined in heritage bilingualism in order to contribute to the debate on the general vulnerability of the syntax discourse interface

Tre passi nel buio Massimo Carlotto, Luca D'Andrea, Maurizio de Giovanni,2018-05-10

Negli ultimi vent anni la letteratura italiana di genere ha conquistato il predominio assoluto nelle classifiche di vendita e costruito una vera e propria comunit di lettori che va sempre pi ampliandosi La costellazione di romanzi che vengono radunati forse frettolosamente sotto l etichetta del crime nasconde differenze rilevanti e spesso ignorate scrivere un noir non la stessa cosa che scrivere un giallo la serialit richiede tecniche di costruzione dell intreccio che non sono scontate n alla portata di tutti il thriller un genere a s con regole proprie che necessario applicare nei minimi dettagli anche quando le si voglia sovvertire Per la prima volta tre maestri rispettivamente del noir del giallo e del thriller hanno accettato di aprire il proprio laboratorio ai lettori raccontando nei dettagli come costruiscono le loro storie quali ne sono gli ingredienti irrinunciabili e come questi si sono evoluti nel corso degli anni Il risultato un libro pieno di passione e competenza una lettura irrinunciabile per gli appassionati di Carlotto D Andrea e de Giovanni ma anche per chi non li conosce ancora Oltre che ovviamente per chi sogna di scrivere una storia crime e vuol capire da dove partire e cosa non sbagliare
