Mosley Long John Owners Manual:

A Guide to Walter Mosley 'Devil in a Blue Dress' John Lennard, 2013-09-24 Mosley's novels chronicling the investigations of Easy Rawlins chart Californian history from 1948 echoing Chandler and John D MacDonald while challenging Ellroy's L A Quartet. He has also written other crime and SF novels, Young Adult fiction, a memoir, and activist non-fiction and is widely involved in cultural and educational projects promoting writing by people of colour. *Devil in a Blue Dress* is the first novel in Mosley's outstanding Easy Rawlins series. The Notes in this book provide an overview of Mosley's career and the series give historical and literary backgrounds to the novel including Chandler, Himes, Pinkerton, Men and Private Eyes, Hollywood's Gumshoes and the GI Bill and consider the film adaptation of *Devil*. Chapter by chapter Annotations detail allusions, slang, musical references, flora and fauna and fashion while disentangling Mosley's real and fictive Los Angeles. The Essay is *In the Mortgage of his Skin* and uses Walcott's and Lamming's great phrase to ask about Easy's purest passion: the house that is his castle. The Bibliography covers all Mosley's work with critical material on him and on African American crime writing.
