La Machine Infernale Jean Cocteau Livre De Poche:

La Machine infernale de Jean Cocteau (Analyse approfondie) Alice Renard, Profil-litteraire.fr, 2017-12-05 Cet ouvrage fournit une analyse approfondie de La Machine infernale de Jean Cocteau avec toutes les clés pour analyser l'œuvre. Retrouvez dans cette analyse approfondie de La Machine infernale de Jean Cocteau tout ce que vous devez savoir sur cette œuvre classique. Depuis le triomphe de Dièpe sur le sphinx et son mariage avec la reine Jocaste, Thèbes est frappée par la peste. Alors qu'Édipe apprend la mort naturelle de son père Polybe, contrairement à ce que l'oracle de Delphes avait prédit qu'il tuerait son père et pousserait sa mère à se couvrir galeusement, qu'il avait adopté par ce dernier. Peu à peu, Édipe prend conscience que la machine infernale des dieux s'est dévoilée et se referme sur lui. Que contient cette analyse d'œuvre ? Après avoir détaillé la biographie de Jean Cocteau, Alice Renard nous transporte directement au sein de l'histoire de La Machine infernale qu'elle résume fidèlement. Elle se penche ensuite sur le contexte qui a vu naître ce roman entre deux guerres, une période contrastée la fois marquée par les crises politiques, économiques et sociales, mais aussi par une agitation culturelle et intellectuelle, notamment à Paris. Cocteau est influencé par les avant-gardes. Les personnages de la pièce, tant Édipe que Jocaste, Tirésias ou le Sphinx, sont alors soumis à une analyse rigoureuse. Vient ensuite l'étude des thématiques principales de l'œuvre : la fatalité du destin, l'attrait pour le surnaturel, la vision pessimiste de la condition humaine ou encore la psychanalyse. L'analyse du style de Jean Cocteau fait l'objet du chapitre suivant, tandis que l'étude de la réception de cette œuvre clôture l'analyse littéraire. Profil Littéraire propose des analyses approfondies faisant le tour complet des plus grandes œuvres de la littérature. Notre objectif est de permettre nos lecteurs d'aller plus loin dans leur expérience de lecture et leur offrir ainsi un nouveau regard sur l'œuvre concernée. Nos profils littéraires sont conçus par des professeurs triés sur le volet et enrichis par un comité éditorial constitué de professionnels de la littérature.

The Poetic Idioms of Jean Cocteau's Art James Jackson, 2024-09-23 Cocteau had an ambition many a poet has to become immortal. But he perhaps more than most addressed this ambition directly in a great many of his plays, poems and films. This book puts the work of this elusive and compelling poet under the microscope, examining how he channeled the concerns and anxieties of his age and beyond into his creations. Putting aside anecdotes of his life and other biographical minutiae, it turns to the creative achievements of the polymath, some well known, some less so, to examine how he wrestles with the profound questions that concern human nature and enters into a conversation with his creative forebears on matters relating to love, imagination, suffering and consolation.

A Companion to Under the Volcano Lawrence J. Clipper, Christopher Ackerley, 2011-11-01 An item-by-item discussion of the innumerable often obscure details of Malcolm Lowry's novel, this book comprises 1,600 notes covering some 7,000 specific points. The notes are keyed to page numbers in the Penguin paperback and the two standard hardback editions. The appendices include a glossary, bibliography, maps of the region and an index of motifs. In their comprehensive but unpedantic commentary on the novel's complexities, the authors' emphasis is on the narrative level. All points of obscurity are followed by an interpretation of fact. Thus references are
