Mirgorod Nikolaj Gogol:

Mirgorod Nikolai Gogol, 2024-05-09 *Mirgorod* or *Myrhorod* published in 1835 is a significant collection of four novellas by Nikolai Gogol intentionally presented as a continuation of his earlier success *Evenings on a Farm Near Dikanka* due to its focus on Ukrainian settings and themes. The title itself *Mirgorod* in Russian translates to city of peace, a name that offers a potential irony when juxtaposed with the often turbulent narratives within the collection. In English, *Myrhorod* is typically rendered as *Mirgorod*, though occasionally you'll also see it as *Myrgorod* or other versions. The collection takes its name from the actual Ukrainian town where some of the stories are set. Translators generally maintain the transliteration *Mirgorod* rather than attempting to find an English equivalent for the place name. Unlike *Evenings Myrhorod*, it does not feature a single unifying narrator, allowing for a wider range of tones and perspectives across the four distinct stories. The collection is divided into two parts: the first containing *Old World Landowners* and the historical epic *Taras Bulba*, and the second featuring the dark fantasy of *Viy* and the humorous satire of *The Tale of How Ivan Ivanovich Quarreled with Ivan Nikiforovich*. This collection marks a crucial point in Gogol's literary evolution, showcasing a more nuanced and sometimes pessimistic view of life compared to his earlier works. While still drawing upon Ukrainian folklore and settings, *Myrhorod* demonstrates a sophisticated blend of romanticism, an emerging realism, and the distinctive use of the grotesque that would characterize his later masterpieces. The four novellas explore a range of universal themes including love, loss, loyalty, betrayal, and the complexities of human relationships, from the sentimental portrayal of elderly landowners to the epic battles of Cossacks and the eerie encounters with the supernatural.

Old World Landowners Nikolai Gogol, 2024-05-09 In this elegiac story from *Mirgorod*, Gogol depicts an elderly couple, Afanasy and Pulkheria, whose idyllic rural existence revolves around meals and mundane routines until Afanasy's death unravels their fragile harmony. The narrative's slow, deliberate pace mirrors the protagonists' resistance to change, framing their simplicity as both endearing and pathological. Gogol's ambivalence, nostalgia for vanishing traditions, and awareness of their emptiness prefigure Chekhov's portraits of decaying gentry. While devoid of Tolstoy's spiritual urgency, the story's quiet tragedy lies in its recognition that habit, however comforting, cannot stave off mortality. The couple's static world, meticulously preserved yet inherently fragile, becomes a microcosm of a society clinging to outmoded ideals, a theme Gogol would later amplify in *Dead Souls*.

Old World Landowners, the first story in Gogol's *Mirgorod* collection, presents a tender and somewhat melancholic portrayal of an elderly Ukrainian couple, Afanasiy Ivanovich Tovstogub and his wife Pulkheriya Ivanovna Tovstogubikha, who live a secluded and idyllic life on their rural estate. Their existence is characterized by a comforting routine surrounded by the tranquility of their gardens and the gentle rhythm of domestic life, with a particular emphasis on their frequent and elaborate meals. The narrator fondly details the peculiarities of their household, such as the singing doors that seem to echo the predictable harmony of their isolated world. Pulkheriya Ivanovna manages the estate and the servants, who, despite their open pilfering, do not seem to diminish the abundance of the

land which provides generously for the loving couple Their days are filled with simple pleasures primarily the preparation and consumption of food with meticulous descriptions of their various dishes and snacks and the warm hospitality they extend to visitors The peaceful rhythm of their lives is subtly disrupted when Pulkheriya Ivanovna's cat disappears and later returns briefly in a feral state an event she interprets as an omen of her impending death Following this premonition she quietly makes arrangements for her husband's care after she is gone and within a few days she passes away Afanasiy Ivanovich's grief is profound and childlike leading to a visible decline in his health and the gradual decay of their beloved estate The narrator reflects on the power of habit over passion as Afanasiy a man of simple routines is utterly lost without his wife Not long after Pulkheriya's death Afanasiy believes he hears her calling his name in the garden and soon follows her leaving the estate to fall into disrepair symbolizing the passage of time and the fading of a gentler old world existence Gogol's story offers a nostalgic yet subtly ironic portrayal of a disappearing way of life exploring themes of love loss the simplicity of rural existence and the relentless march of time This modern edition features a contemporary translation from the original Russian manuscript making his surrealist and existential literature accessible to readers and enhanced by an illuminating afterword that focuses on Gogol's relationship with Dostevsky Tolstoy and Turgenev and his influence of Kafka and other surrealist absurdist writers a concise biography including his Ukrainian heritage and a detailed chronology of his life and major works This robust reader's edition introduces readers to the brilliance of Gogol's literature and the context in which he wrote

The Complete Tales of Nikolai Gogol, Volume 1 Nikolai Gogol, 1985-04-15 Nikolai Gogol was an artist who like Rabelais Cervantes Swift and Sterne knew how to walk upside down in our valley of sorrows so as to make it to a merry place This two volume edition at last brings all of Gogol's fiction except his novel *Dead Souls* together in paperback Volume 1 includes *Evenings on a Farm near Dikanka* the early Ukrainian folktales that first brought Gogol fame as well as *Nevsky Prospekt* and *Diary of a Madman* It is good to have a complete collection of Gogol's tales in paperback Professor Kent has thoroughly revised Mrs Garnett's conscientious and skillful translation eliminating the Victorianisms of her style correcting mistakes and pruderies of diction and making the whole translation sound much more contemporary and alive But he has avoided the whimsicality and curliness in which some recent translators indulged and he has not changed or suppressed anything material He has also supplied helpful notes which are often the first annotation in English and he has written an introduction which steers the correct middle course between making Gogol an irresponsible artist of the grotesque and proving him a documentary historian of backward Russia Ren Wellek Yale University

[Village Evenings Near Dikanka ; And, Mirgorod](#) Nikolai Vasil'evich Gogol', 1994 Hailed universally as Russia's finest comic writer and by many as its greatest writer of prose Nikolai creates a unique Ukrainian world from the darkest Gothic to folkloric levity Here this extraordinary countryside is revealed in all its variety in his first two collections of short stories The only translation available of this cycle of stories this edition captures fully the spirit and vigor of his important early work for the first time

How the Two Ivans

Quarrelled Nikolai Vasil'evich Gogol', 2007 How dared you in disregard of all decency call me a goose In a sharp edged translation from John Cournos an under appreciated early translator of Russian literature into English How the Two Ivans Quarrelled is the story of two long time friends who have a falling out when one of them calls the other a goose From there the argument intensifies and the escalation becomes more and more ludicrous Never losing its generous antic spirit the story nonetheless transitions from whither a friendship to whither humanity as it progresses relentlessly to its moving conclusion
