Managing Business Ethics 5th Edition :

Managing Business Ethics Linda K. Trevino, Katherine A. Nelson, 2010-08-23 While most business ethics texts focus exclusively on individual decision making what should an individual do this resource presents the whole business ethics story Highly realistic readable and down to earth it moves from the individual to the managerial to the organizational level focusing on business ethics in an organizational context to promote an understanding of complex influences on behavior The new Fifth Edition is the perfect text for students entering the workplace those seeking to become professionals in training communications compliance in addition to chief ethics officers corporate counsel heads of human resources and senior executives

Managing Business Ethics Linda K. Trevino, 2010-08-18

The Fulfilling Workplace Ronald J.

Burke, 2016-03-09 It is very easy for organizations to ignore or overlook the impact of social and commercial change of increased pressure to deliver profit above all else and of transformation in the ways in which we are now working on the mental health and consequently the performance of their employees And yet there is plenty of evidence that in many workplaces performance is down stress is up and professional employees are struggling to balance their home and work lives This collection while looking at individuals places the spotlight on organizational initiatives to support the development of attitudes values character and behaviors in employees The aim of these initiatives is to increase our resilience to those experiences and events which impact on performance There is a particular focus on managerial and professional jobs where employee discretion and commitment are critical The Fulfilling Workplace extends the themes developed in early titles in the Psychological and Behavioral Aspects of Risk Series deeper into organizations to explore the organization's role in coming to grips both with human frailties and toxic workplaces both destructive to individual and organizational health

Business Ethics Andrew Crane, Dirk Matten, 2010-03-25 The third edition of this book introduces business ethics concepts tools and theories then applies them to key stakeholder groups It takes a global approach in a market dominated by US texts The accessible style and thorough pedagogy ensure the book is both student and teacher friendly

Managing Business Ethics Alfred A. Marcus, Timothy J. Hargrave, 2019-12-19 *Managing Business Ethics Solving Ethical Dilemmas* teaches students how to navigate ethical issues they will inevitably encounter using the weight of reasons approach This decision making framework can be applied at the individual organizational and stakeholder levels Authors Alfred Marcus and Timothy Hargrave underscore the need for employees at all levels to carefully consider the ethical implications of their actions Each chapter provides a case to walk through application of the framework Mini cases within each chapter allow students to practice applying this framework on their own A wide range of longer real world case studies are presented featuring companies relevant to students such as Facebook and Amazon This practical down to earth text delves into topics not covered extensively by other books such as slow and fast thinking the inherent conflict between the individual and organization conformity and the difficulties of speaking truth to power This compelling new text offers ample opportunity for

students to engage in thoughtful reflection discussion and application as they grapple with ethical issues big and small Key Features Presents a weight of reasons ethical decision making framework to help students understand the steps for making the right decisions and the importance of thinking through both short term and long term effects In text examples and end of chapter cases applications provide ample opportunity for students to see and apply the ethical decision making framework 20 Real World Cases on timely topics like Sexual Harassment at Google pharmaceutical companies and the Opioid Epidemic and Whole Food s Conscious Capitalism
