Manhattan Gil Reavill, 2003 *The Lifestyles of New Yorkers* Sampson Obeng, 2017-09-27 To the best of my knowledge understandably when I first saw the New Yorkers I was in a state of euphoria concerning the awesome lifestyles of the great people on earth I choked out a few words the first time I interacted with them I immediately realized there is so much more to explore about their characteristics and to create a highly readable novel about them to the world s profundity of their lifestyles Reading this novel will be more than ecstatic to add more time to your readings and have you on the edge of your seat or bed make you want to stay at one place to turn the last pages or finish the novel So sweet without honey Ecstatically a great way to spend your ample time due to any action they take is complex and interesting scenario characters that deliver a good reading attention an impressive array of characteristics Writing about New Yorkers lifestyle is entertaining that blends them all beautifully together never letting the novel drop keeping the reading flawlessly intact and riveting Reading about New Yorkers has no stopping especially about their insatiable educational background that refutes the imbued from their respective parents They are talented expressive sophisticated sexy beautiful courageous and controversial tending to conform to societal norms when it comes to dress codes and celebrate their beauty with clothes that accentuate their style and look dreary and bereft and elegant New Yorkers food IQ refrain from binging nonstop on an appalling diet of fried potato chips jumbo sausages fried eggs and heavily salted bacon They fix holiday period especially a scheduled period during which their activities in schools or other regular business are suspended New Yorkers lifestyles in sports are phenomenal especially when it comes to the Super Bowl with a giant appetite that stands a record breaker every year Music was first originated in Africa but the transformation of its quality digital sound has long been transferred to New York and America as a whole in decades One of the best Christmas spectacular is the celebration of playing Santa Claus in a New York role They wish the world all the best and hope the coming year repeats all the best and eliminates all the worst of the past New Yorkers celebrate July 4 Independence Day annually and at sometimes remember that fireworks are illegal in New York City Memorial Day is a special public holiday to commemorate American soldiers who died in wars and New Yorkers patriotic tributes to honor and celebrate is awesome New Yorkers have a uniquely diverse approach to Thanksgiving Day a legal holiday marking the feast given in thanks for the harvest by the pilgrim colonists in 1621 celebrated on Thursdays in the month of November New York parents have been treated exactly like kings and queens whether traditional or more unique in their Father s and Mother s days incessantly New Yorkers Halloween celebrations are one of the biggest carnivals in the world Valentine s Day is the Christian feast day of Saint Valentine and the traditional day for sending a romantic card or gift especially anonymously to somebody you love on the date of February 14 As enunciated few percentages of New Yorkers are
