Forbidden Memory Tsering Woese, 2020-04-01 When Red Guards arrived in Tibet in 1966 intent on creating a classless society they unleashed a decade of revolutionary violence political rallies and factional warfare marked by the ransacking of temples the destruction of religious artifacts the burning of books and the public humiliation of Tibet's remaining lamas and scholars Within Tibet discussion of those events has long been banned and no visual records of this history were known to have survived In *Forbidden Memory* the leading Tibetan writer Tsering Woese presents three hundred previously unseen photographs taken by her father then an officer in the People's Liberation Army that show for the first time the frenzy and violence of the Cultural Revolution in Tibet Found only after his death Woese's annotations and reflections on the photographs edited and introduced by the Tibet historian Robert Barnett are based on scores of interviews she conducted privately in Tibet with survivors Her book explores the motives and thinking of those who participated in the extraordinary rituals of public degradation and destruction that took place carried out by Tibetans as much as Chinese on the former leaders of their culture Heartbreaking and revelatory *Forbidden Memory* offers a personal literary discussion of the nature of memory violence and responsibility while giving insight into the condition of a people whose violently truncated history they are still unable to discuss today Access the glossary *The Collective Memory Reader* Jeffrey K. Olick, Vered Vinitzky-Seroussi, Daniel Levy, 2011 There are few terms or concepts that have in the last twenty or so years rivaled collective memory for attention in the humanities and social sciences Indeed use of the term has extended far beyond scholarship to the realm of politics and journalism where it has appeared in speeches at the centers of power and on the front pages of the world's leading newspapers The current efflorescence of interest in memory however is no mere passing fad it is a hallmark characteristic of our age and a crucial site for understanding our present social political and cultural conditions Scholars and others in numerous fields have thus employed the concept of collective memory sociological in origin to guide their inquiries into diverse though allegedly connected phenomena Nevertheless there remains a great deal of confusion about the meaning origin and implication of the term and the field of inquiry it underwrites *The Collective Memory Reader* presents organizes and evaluates past work and contemporary contributions on the questions raised under the rubric of collective memory Combining seminal texts hard to find classics previously untranslated references and contemporary landmarks it will serve as an essential resource for teaching and research in the field In addition in both its selections as well as in its editorial materials it suggests a novel life story for the field one that appreciates recent innovations but only against the background of a long history In addition to its major editorial introduction which outlines a useful past for contemporary memory studies *The Collective Memory Reader* includes five sections Precursors and Classics History Memory and Identity Power Politics and Contestation Media and Modes of Transmission Memory Justice and the Contemporary Epoch comprising ninety one texts In addition to the essay introducing the entire volume a brief editorial essay introduces each of the sections while brief

capsules frame each of the 91 texts The Lamp of Memory John Ruskin,1885 **Displacement and (Post)memory in Post-Soviet Women's Writing** Marja Sorvari,2022-04-22 The book examines prominent literary works from the past two decades by Russian women writers dealing with the Soviet past It explores works such as Daniel Stein Interpreter by Ludmilla Ulitskaya The Time of Women by Elena Chizhova Secondhand Time The Last of the Soviets by Svetlana Alexievich and In Memory of Memory by Maria Stepanova and uncovers connecting thematic structures and features Focusing on the concepts of displacement and postmemory the book shows how these works have given voice to those on the margins of society and of great history whose resistance was often silent In doing so these women writers portray the everyday experiences and trauma of displaced women and girls during the second half of the twentieth century This study offers new insights into the importance of these women writers work in creating and preserving cultural memory in post Soviet Russia
