Mr Hires Engagement:

Mr Hire's Engagement Georges Simenon,2014-11-06 Georges Simenon s chilling portrayal of tragic love persecution and betrayal One sensed in him neither flesh nor bone nothing but soft flaccid matter so much so that his movements were hard to make out Very red lips stood out from his orb like face as did the thin moustache that he curled with an iron and looked as if it had been drawn on with India ink on his cheekbones were the symmetrical pink dots of a doll s cheeks People find Mr Hire strange disconcerting The tenants he shares his building with try to avoid him He is a peeping Tom a visitor of prostitutes a dealer in unsavoury literature He is also the prime suspect for a brutal murder that he did not commit Yet Mr Hire s innocence will not stand in the way of those looking for a scapegoat as tragedy unfolds in this quietly devastating and deeply unnerving novel The romans durs are extraordinary tough bleak offhandedly violent suffused with guilt and bitterness redolent of place utterly unsentimental frightening in the pitilessness of their gaze yet wonderfully entertaining John Banville

Mr. Hire's Engagement Georges Simenon,2026-04-14 I always have a Simenon close at hand In my youth I adored his Maigret books nowadays I prefer his hard novels as he called them in which his mastery of human psychology is laid plain Julian Barnes Georges Simenon s chilling portrayal of tragic love persecution and betrayal One sensed in him neither flesh nor bone nothing but soft flaccid matter so soft and so flaccid that his movements were hard to make out Very red lips stood out from his orb like face as did the thin moustache that he curled with an iron but that looked as if it had been drawn on with India ink on his cheekbones were the symmetrical pink dots of a doll s cheeks People find Mr Hire strange disconcerting The tenants he shares his building with try to avoid him He is a Peeping Tom a visitor of prostitutes a dealer in unsavory literature He is also the prime suspect for a brutal murder that he did not commit Yet Mr Hire s innocence will not stand in the way of those looking for a scapegoat as tragedy unfolds in this quietly devastating and deeply unnerving work from Georges Simenon The Penguin Modern Classics Book Henry Eliot,2021-11-18 The essential guide to twentieth century literature around the world For six decades the Penguin Modern Classics series has been an era defining ever evolving series of books encompassing works by modernist pioneers avant garde iconoclasts radical visionaries and timeless storytellers This reader s companion showcases every title published in the series so far with more than 1 800 books and 600 authors from Achebe and Adonis to Zamyatin and Zweig It is the essential guide to twentieth century literature around the world and the companion volume to The Penguin Classics Book Bursting with lively descriptions surprising reading lists key literary movements and over two thousand cover images The Penguin Modern Classics Book is an invitation to dive in and explore the greatest literature of the last hundred years *Catalog of Copyright Entries. investigation situates Simenon's work in its historical context and interprets it as a reaction to shifting gender relations in Western society. Simenon's compelling narratives capture the anxieties of men whose patriarchal position was under threat in an era of insurgent feminist movements. These concerns are also evident in Simenon's pervasive preoccupation with sexuality as well as his political stance that stems from his petit bourgeois upbringing. This groundbreaking study includes interwoven commentary on all 191 novels Simenon published under his own name including several that have never been translated into English as well as a number of short stories and several pseudonymous works. **A Simenon Omnibus** Georges

House of Commons, 1878 **Capital and Labour**, 1876 **The Encyclopedia of Best Films** Jay Robert Nash, 2019-10-23 This all inclusive A-Z encyclopedia by one of the world's foremost experts on cinema provides comprehensive annotations of the best films produced from 1914 on. The work offers more than 5 000 three to five star entries: three stars good, four stars excellent, five stars masterpiece, and yes, author Jay Robert Nash has viewed every single one of them as well as many more that did not make the cut. In addition to a précis, each film's entry also includes a listing of the cast as well as the key principles involved in production from the director to the hair stylist. Especially unique to this book is a rating system that helps parents determine whether or not a film is appropriate for their children. Unlike the industry rating system which can be influenced by studio lobbying, Nash objectively evaluates each film and confers upon it one of four recommendations for viewing: recommended, acceptable, cautionary, and unacceptable. Backmatter includes a list of top films by genre: i.e. animated, drama, sports, mystery, adventure, etc. as well as an annotated name index listing all persons mentioned along with their dates of birth and death. Rounding out this essential volume for the film buff are over 500 still photos from the author's private collection. *Commonwealth Arbitration Reports* Australia.
