Ethnologia Europaea has set itself the task of breaking down not only the barriers which divided research into Europe from  
 general ethnology but also the barriers between the various national schools within the continent With this manifesto  
 Ethnologia Europaea was started in 1969 Since then it has acquired a central position in the international co operation  
 between ethnologists in the various European countries in the East as well as the West It is however a journal of topical  
 interest not only for ethnologists but also for anthropologists social historians and others studying the social and cultural  
 forms of everyday life in recent and historical European societies      His Heart's Desire Ellen Olney Kirk, 1878      The Book  
of Promethea Hélène Cixous, 1991 In writing *Le Livre de Promethea* H l ne Cixous set for herself the task of bridging the  
 immeasurable distance between love and language She describes a love between two women in its totality experienced as  
 both a physical presence and a sense of infinity The result is a stunning example of Pecriture feminine that won kudos when  
 published in France in 1983 Its translation into English by Betsy Wing will extend the influence of a writer already famous for  
 her novels and contributions to feminist theory In her introduction Betsy Wing notes the contemporary emphasis on fictions  
 of presence Cixous in *The Book of Promethea* works to repair the separation between fiction and presence trying to chronicle  
 a very present love without destroying it in the writing      Nothing Between Us Roni Loren, 2015-01-06 Unlike the heroine of  
 her popular thriller series Georgia Delaune can t afford to take risks or push sexual boundaries unless you count spying  
 through her neighbor s bedroom window and never missing a single move he makes Colby Wilkes is more than willing to put  
 on a show for the alluring woman next door But his dominant side aches to show her the pleasures of submission up close As  
 a counselor Colby is sensitive to Georgia s fears As a Dom at The Ranch a private BDSM retreat he s the perfect teacher to  
 unleash her passion But just as Georgia lowers her emotional barriers an unexpected complication arrives a bad boy  
 musician from Colby s past who adds fuel to her heated imagination Now the lonely author has two gorgeous men eager to  
 fulfill every fantasy she s ever written and one she s never dared to dream Exclusive to this edition only a bonus short story
