Lying Beliefs Stretching The Boundaries On Your Path To Enlightenment:

Lying Beliefs MR Maurice Johnson, NoMoEgo, 2016-04-21 *Lying Beliefs* is a book that will assist anyone who is sincerely seeking to free themselves from the controlling and conflicting beliefs that breed a systematic way of living that can seem like a prison at times. In truth it is our flawed perception of reality that imprisons us. The book brilliantly articulates how humanity fails to recognize that it is only the arguable man made beliefs that we have embraced that creates a fraudulent perception of who we think we are which in turn deters our awareness from our true divine nature. On a rare occasion a book comes along that really challenges you to take a deep look at your belief system. In an age where so many are looking for a true sense of freedom and fulfillment few realize that it is our core beliefs that lie in the way of our destiny. Our individual belief systems constructs an impenetrable wall within our minds that isolates and confines us. Thus true freedom and fulfillment can only be obtained when our attention is not being constantly consumed by the convoluted information that occupies our minds. The Author eloquently exposes in a breathtaking way how we human beings via our different man made ideas beliefs theories etc live our lives fearfully tucked away in our own remote worlds seemingly encased in our own restricted boxes. Thus the material in this book compels you not to just think outside of the box but to help you realize that in reality there is NO box by way of stretching or expanding your awareness beyond the limitation of what you have been taught to believe in order to free the true sacred identity of who you are from the self controlling idea of who you think you are which has been conceptualized by your mind.
