*Crafting Identity* Pavel Shlossberg, 2015-06-11 *Crafting Identity* goes far beyond folklore in its ethnographic exploration of mask making in central Mexico. In addition to examining larger theoretical issues about indigenous and mestizo identity and cultural citizenship as represented through masks and festivals, the book also examines how dominant institutions of cultural production, art media, and tourism mediate Mexican *arte popular*, which makes Mexican indigeneity digestible from the standpoint of elite and popular Mexican nationalism and American and global markets for folklore. The first ethnographic study of its kind, the book examines how indigenous and mestizo mask makers both popular and elite view and contest relations of power and inequality through their craft. Using data from his interviews with mask makers, collectors, museum curators, editors, and others, Pavel Shlossberg places the artisans within the larger context of their relationships with the nation, state, and Mexican elites, as well as with the production cultures that inform international arts and crafts markets. In exploring the connection of mask making to capitalism, the book examines the symbolic and material pressures brought to bear on Mexican artisans to embody and enact self-racializing stereotypes and the performance of stigmatized indigenous identities. Shlossberg's weaving of ethnographic data and cultural theory demystifies the way mask makers ascribe meaning to their practices and illuminates how these practices are influenced by state and cultural institutions. Demonstrating how the practice of mask making negotiates ethnoracial identity with regard to the Mexican state and the United States, Shlossberg shows how it derives meaning, value, and economic worth in the eyes of the state and cultural institutions that mediate between the mask maker and the market.

**Reign of Terror** Leo Silva, 2024-11-10 *Reign of Terror* by Leo Silva is a gripping true crime memoir that takes readers deep inside the brutal world of Mexico's Los Zetas cartel. Former DEA Special Agent Silva brings unparalleled insight, recounting his years on the front lines in the relentless fight against one of the world's most violent criminal organizations. This powerful narrative unveils the hidden realities of the drug war, from the complex relationships between the cartels and law enforcement to the personal sacrifices made by those who risk everything to protect others. With raw detail and authenticity, Silva sheds light on the lives of those entangled in a web of corruption, power, and violence. *Reign of Terror* is more than a recount of battles won and lost; it's a story of courage, resilience, and the cost of justice. A must-read for fans of true crime and international intrigue. In *Reign of Terror*, Leo Silva masterfully recounts the rise and fall of the notorious and ultra-violent Los Zetas cartel. But more than just retelling the story, Leo's work is filled with inside information and insights that bring the reader into the world of those tasked with dismantling Los Zetas. Compelling. Leo brings profound humanity to the fight against the Zetas, a fight that brought both victories and tragedies, all of which are deeply felt by the reader. Jack Luellen, Author of *Someone Had to Die*, Podcast Host *Cartels, Conspiracies, and Camarena*.
