The Great Gold, Silver and Crypto Rush of the 21st Century Michael Maloney,2022-03 In *The Great Gold Silver and Crypto Rush of the 21st Century* Mike Maloney and Jeff Clark show why more wealth will be won and lost than ever before

They explain why the global spread of democracy financial affluence changes in laws the development of the investor mindset and the coming change in the worldwide monetary system are all conspiring to make this the biggest financial event the world has ever seen Zero interest rates and massive currency creation have push real estate stocks and bonds back into massive bubbles and now the entire world is in the everything except gold and silver bubble But the forces that threaten the world monetary system are the same forces that will propel gold and silver to unimaginable heights Yes the threat has never been bigger but that means that the opportunity has never been bigger Since 2001 savvy investors and central banks preparing for the next financial crisis have already purchased three times more gold and silver than they did in the entire bull market of the 1970s and they ve gobbled up more than ten times the gold that came out of the ground in the California Gold Rush of 1849 Nothing in history can compare But don t worry you haven t missed anything This is only the beginning the big rush is yet to come People will either become richer or poorer The good news is that it is entirely up to them
