to say about the Seven Amazing Continents Journal This like most of The Thinking Tree books is a researched based book  
which requires you provide internet or other books to be able to fill out the worksheets in this book I bought this book for our  
homeschool history geography studies for the next school year What I like about this book is that not only are you doing book  
research you are coloring challenging the student to answer questions about the continents and finding the beauty of the  
world This book can be shared with our 4 homeschoolers which means we save money read more about it at the end of the  
review It is very thorough and can be used with one student over an extended amount of time Or it can be used in a group of  
students especially with teaching multi level homeschooling by dividing the pages between your various children and  
watching the movies sharing books etc This book was created so that you can make multiple copies for only the children in  
your household which is a win win if you re wanting to save money and do this all together For a complete homeschool
