Mindworks Art Volume 2 A Spiritual Journey:

MINDWORKS ART, Volume 2 Richard Fisher, 2014-12-07 Drawing meditation is a unique approach to creative image making The process of creating MINDWORKS imagery begins with the exploration of the unconscious mind an inward journey of discovery Leonardo daVinci urged us to look at a wall spotted with stains you may discover a resemblance to various landscapes beautified with mountains rivers rocks trees Or again you may see battles and figures in action or strange faces and costumes and an endless variety of objects which you could reduce to complete and well drawn forms Drawing meditations random marks on paper replace stains on a wall are scanned into the computer and enhanced in the Photoshop Program Images are then printed using RGB Lazer and Giclee print technology It is a journey from NO where to NOW here

MINDWORKS ART Volume 3 Richard Fisher, 2014-12-13 There is an inward focus and an outward focus to our lives Outwardly the focus for me was what could be created what would sell be acceptable This was my life in the industrial design world designing and teaching in all it s aspects Always the marketplace was kept in mind Inward focus became possible with fine arts studying oil painting at the Brooklyn Museum with Reuben Tam and later printmaking at Columbia University Teachers College The images and sketches in this book are early works as contrasted with MINDWORKS of more recent years Craftmanship and technique have always interested and challenged me it is an adventure of discovery of failures and successes the visual world of art opening up every step of the way What better way to discover one s self than to be an artist
