The Hero and the Perennial Journey Home in American Film Susan Mackey-Kallis, 2010-08-03 In contemporary

American myths find expression primarily in film. What's more, many of the highest grossing American movies of the past several decades have been rooted in one of the most fundamental mythic narratives: the hero quest. Why is the hero quest so persistently renewed and retold? In what ways does this universal myth manifest itself in American cinema? And what is the significance of the popularity of these modern myths? *The Hero and the Perennial Journey Home in American Film* by Susan Mackey Kallis is an exploration of the appeal of films that recreate and reinterpret this mythic structure. She closely analyzes such films as *E.T.*, the Star Wars trilogy, *It's a Wonderful Life*, *The Wizard of Oz*, *The Lion King*, *Field of Dreams*, *The Piano*, *Thelma and Louise*, and *2001: A Space Odyssey*. Elements of the quest mythology made popular by Joseph Campbell, Homer's *Odyssey*, the perennial philosophy of Aldous Huxley, and Jungian psychology all contribute to the compelling interpretive framework in which Mackey Kallis crafts her study. She argues that the purpose of the hero quest is not limited to the discovery of some boon or Holy Grail but also involves finding oneself and finding a home in the universe. The home that is sought is simultaneously the literal home from which the hero sets out and the terminus of the personal growth he or she undergoes during the journey back. Thus the quest Mackey Kallis asserts is an outward journey into the world of action and events which eventually requires a journey inward if the hero is to grow and ultimately necessitates a journey homeward if the hero is to understand the grail and share it with the culture at large. Finally, she examines the value of mythic criticism and addresses questions about myth currently being debated in the field of communication studies.

Through a Catholic Lens Peter Malone, 2007-04-16 Movies are often examined for subtext and dramatizations of social and psychological issues as well as current movements. Studies of well-known Catholic directors such as Alfred Hitchcock and John Ford have made the search for Catholic themes a reputable field of examination. *Through a Catholic Lens* continues the search for these themes and examines the Catholic undercurrents by studying nineteen film directors from around the world. Although these directors may or may not be practicing Catholics, their Catholic background can be found in their writing and directing. Each chapter, written by a different contributor, analyzes one film of each director for its Catholic motifs. With the recent increase of cinema studies, this collection will be of interest to students and academics as well as cinema buffs.

Finding Home Bru Baker, 2014-06-23 Dropping Anchor Book Two When an inheritance fell in Ian Mackay's lap, he fled the high-pressure banking industry and didn't look back. Since then, he's spent four years living carefree on the island of Tortola, his life a series of hookups and hanging out with friends. After his best friend moves to Seattle and gets married, Ian finds himself lost. His unapologetic existence doesn't hold the same appeal, and he wonders if he's throwing his life away. After visiting Niall in Seattle, Ian decides to stay, but that means taking his life off hold and finding a real job. Meeting Luke Keys, who is about as far from a player as possible, isn't the plan, but might be just what Ian needs. Luke and his values intrigue Ian, and he pursues Luke ruthlessly until Luke agrees to a date. Their courtship sweeps Ian off his feet, and when the relationship gets complicated, Ian has the chance to cut and run. Habits born from years of being on his own are hard to shake, and self-
