In order to succeed in World of Warcraft Classic you will need a lot of gold In addition to the thousands of gold you will spend on your spells mounts gear enchantments and respecs you will also need to consistently purchase large quantities of consumables and utility items to stay competitive in serious raiding PvP Without enough gold you will always be outclassed by players who do have enough However accumulating gold is very difficult in World of Warcraft By the time The Burning Crusade was about to launch World of Warcraft WoW had 8 million active subscribers with likely millions more accounts that were created but stopped subscribing at some point Out of the millions of players who played the game there was not a single recorded instance of someone hitting the gold cap 215 000 gold on one character This means it is more common for someone to be a billionaire in America about 1 out of 600 000 than it is for someone to have 215 000 gold This is why I have compiled the most comprehensive optimal and practical guide on gold making in World of Warcraft Classic I played the original WoW through Wrath of the Lich King with a Hunter main and Druid alt and have played on 3 different vanilla WoW private servers where I have over 25 level 60 characters and amassed hundreds of thousands of gold among them My love of the game evolved past raiding and PvPing and I became consumed by the economic PvP competing against other goblins to earn more gold With WoW Classic's release I am happy to finally share everything I have learned about making gold This book will cover the most optimal and practical strategies for gold making while discarding the less optimal ones that are

often repeated in popular guides This book will also include resources such a full list of level appropriate mobs to grind while leveling a full list of the most lucrative twink items in the level 19 and 29 brackets a full list of the most lucrative BoE limited supply vendors to camp a step by step action plan for the launch of Classic WoW and much much more *World of Warcraft Gold Making & Farming Locations Guide* Josh Abbott,2012 The Most Simple Effective Gold Strategies You Will Find Learn Legitimate ways to make gold Never have your account banned from purchasing or trying to hack gold Make Thousands of Gold no matter what class or level you are Our guide is simple and easy to understand Updated for the Most Recent Patch Plus get free Updates in the future as well as the latest gold making strategies to insure you stay at the top of your game 100% Money Back Guarantee Don t like our guide No Problem we will refund your purchase About UsAre you looking to legitimately make thousands of gold so that you will never have to buy WoW gold again Now we have decided to give you the opportunity to read about some of the secrets we have used to make tons of gold in World of Warcraft Guide DetailsGold Making We have some of the best strategies for making thousands of gold in World of Warcraft We have made 188 815 gold using these strategies These strategies will show you the best farming spots get that epic mount you have always wanted or resell the gold We have tons of great tips suitable for any level player Sections IncludeGeneral Tips Tips to get you started on your path to making hundreds of gold per hour These tips are essential in getting you started and well on your way to becoming a rich WoW player Low Level Gold Strategies Don t have a high level character No Problem We talk you through some of the best methods to make gold at a low character level Plus we give you some great items that you can use to sell for big cash Making Money off of Professions Want to know which profession makes you the most money We will tell you Plus we will give you strategies and items you should be focusing on to bring in the most profit We have compiled lists of the best items to sell in WoW for big profit The Best Spots for each Profession The Best Items to Farm Where to Farm Them Not only do we give you the best items to collect We also tell you exactly where the best places to get them are The Best Mobs Monsters to Farm We have tested and found the mobs that are guaranteed to bring you the most cash We have included their locations as well as tips to fighting them successfully Auction Tips Tricks We show you how you can make a profit using the auction house and the auctioneer addon You can use this strategy to make an additional 200 gold per day This Guide is also complete with pictures to better you on your quest for gold PLUS Many More Gold Making Tips to have you making thousands of Gold
