- Now read the article about Charlotte and her father Clint. Find the information about Clint.

his personality his perfect partner

## Please date my dad!

### “So, how was the date?”

You probably think this is a parent asking the question to their child. But every student we have helping their single parents find love has Clint. Besides, a 40-year-old businessman was divorced two years ago. His daughter, 24-year-old Charlotte, doesn't want her dad to end up alone – her mom remarried that year ago, and Charlotte has a boyfriend.

Charlotte and Clint are very close. They often go out together in the evening. They're planning a trip to India for later in the year, and they're both huge sportsman fans. But Charlotte thinks that Clint needs a new partner, and he agrees.

“My dad is the perfect man,” she says. “He's warm, he's generous, he knows how to look after a woman, how to read a woman. He's a gentleman. He's always the one who pays on dates. He's cute and he's fun. I don't want spending Friday and Saturday nights with my dad and that age is a bit – for only us!”

Dating in the 21st century is very different from when Clint was young. Internet dating has changed everything. “It's difficult now just to walk over to a restaurant and ask her ‘Can I buy you a drink?’” he says. “Before, when you met people face to face, there was sometimes a ‘spark’, a feeling of chemistry. Dating – you don't get that from someone's profile picture.”

Charlotte wants Clint's dating profile to be an online dating website. Clint would like to meet a woman who works, preferably a businesswoman, someone who's independent. **Not funny and smart.** He has the perfect dad, but none of his dates were right for him. He said, “I don't want to be old looking. You know how I feel?” “Really, because that would be like me going to bed and saying...”
