

Lesson 1: Context: Literary Traditions and Response in Days of Old when Rights Were Few

During the early 19th century, American literature was in a state of flux. The literary tradition of the time was largely based on the works of English writers, and American writers were often seen as imitators. However, the American literary tradition was also beginning to develop its own voice. The American literary tradition was characterized by a focus on the individual, the self, and the American experience. The American literary tradition was also characterized by a focus on the social and political issues of the time.
