Mao II A Novel:

Mao II Don DeLillo, 1992-05-01 WINNER OF THE PEN FAULKNER AWARD A profound novel about art terror masses and the individual from the National Book Award winning author of White Noise one of the most ironic intelligent grimly funny voices to comment on life in present day America The New York Times This novel s a beauty A vision as bold and a voice as eloquent and morally focused as any in American writing Thomas Pynchon Bill Gray a famous reclusive novelist emerges from his isolation when he becomes the key figure in an event staged to force the release of a poet hostage in Beirut As Bill enters the world of political violence a nightscape of Semtex explosives and hostages locked in basement rooms his dangerous passage leaves two people stranded his brilliant fixated assistant Scott and the strange young woman who is Scott s lover and Bill s An extraordinary novel about words and images novelists and terrorists the mass mind and the arch individualist Mao II is the work of an ingenious writer at the height of his powers Don DeLillo Stacey Olster, 2011-02-17 A collection of original stimulating interpretations of key texts by Don DeLillo designed for students and edited and written by leading scholars in the field The book offers new perspectives on two of the most important pre millennial novels by any American writer Mao II and Underworld and the first extended discussions of Falling Man DeLillo s exploration of 9 11 and its aftermath An American Studies approach to the texts brings together both established DeLillo scholars and other academics whose interdisciplinary methodologies drawn from history ethnic studies new economic criticism women s studies art history and urban studies shed new light on DeLillo s work and demonstrate its wide ranging significance in contemporary American culture *Mao II* Don DeLillo, 1992-05-01 One of the most ironic intelligent grimly funny voices to comment on life in present day America The New York Times Don DeLillo presents an extraordinary new novel about novelists and terrorists the mass mind and the arch individualist A love triangle that moves from New York to London to Beirut Mao II tells an intimate story of faith longing and redemption Don DeLillo: Mao II & Underworld (LOA #374) Don DeLillo, 2023-10-17 The definitive edition of a modern master continues with 2 mid career masterpieces published here with new prefaces from the author This second volume in the Library of America DeLillo edition collects two extraordinary novels he published in the 1990s the peak of his career In the PEN Faulkner Award winning Mao II 1991 the celebrated novelist Bill Gray has withdrawn into seclusion his everyday affairs managed by a pair of assistants And yet within the protective solitude he has built for himself he still finds himself struggling with pills and with a novel he can t manage to complete A visit from a Swedish photographer who specializes in author portraits spurs him to shake off his world weariness and soon the reclusive writer is embarked on an unlikely journey to help broker the release of a poet held hostage by terrorists in Beirut Mao II writes the critic Sven Birkerts is DeLillo s strongest statement yet about the crisis of crises Namely that we are living in the last violet twilight of the individual and that the future belongs to crowds Underworld 1997 DeLillo s magnum opus and a book that ranks among the greatest of twentieth century novels is a sprawling ambitious and moving panorama of the

postwar American experience It begins with a tour de force re imagination of one of the great moments in sports the decisive pennant game between the New York Giants and the Brooklyn Dodgers at the Polo Grounds in 1951 culminating in the now legendary shot heard round the world home run by Bobby Thomson In DeLillo s hands the excitement of the game is juxtaposed with something far more momentous the announcement of the Soviets first atomic test a coincidence that initiates a kaleidoscopic saga that is woven across more than four decades shuttling back and forth through time and mixing fictional characters with historical figures such as Lenny Bruce and J Edgar Hoover The novel is at once a profound meditation on our contemporary condition and a deeply personal book for its author drawing poignantly on his memories of growing up in the Bronx All of DeLillo is in Underworld writes Harold Bloom DeLillo s sense of America in the second half of the twentieth century is achieved perfectly Here is the ultimate gift for DeLillo fans and perfect introduction for readers interested in discovering or rediscovering a great American writer *The Future Belongs To Crowds: Media in Don DeLillo's Libra, Mao II and White Noise* Jan Riepe, 2007-10 Thesis M A from the year 2006 in the subject American Studies Literature grade 2 0 University of Freiburg Englisches Seminar course Magisterpr fung 68 entries in the bibliography language English abstract This paper analyzes the treatment of media in novels by Don DeLillo Key concepts in the study of media will be presented and explained in regard to how they are represented in DeLillo s novels The focus will be on the novels and not on the media after all this is a master s thesis in Literary and not in Communications Studies Media and media theory in our age of information capitalism are now more than ever before a topic that deserves close scholarly attention Media theorists agree that to study the media is to study one of the most important topics of the day and that such study should be compulsory part of every citizens liberal education Fred Inglis Media Theory An Introduction Oxford Basil Blackwell 1990 p 6 Most people in their daily lives are permanently surrounded by media No matter if it is our entertainment information health knowledge memory identity dreams emotions or even our dying all have by now been incorporated by the media It is impossible to understand our acting and thinking without considering the influence of mediation The entire history of mankind is inseparable from media from language to the alphabet and the printing press all the way to today s instant electronic communication Every interpretation of anything is medially determined Arjen Mulder Understanding Media Theory Language Image Sound Behavior Rotterdam V2_Publishing NAi Publishers 2004 p 179 media are our means of understanding it is through them that we try to make sense of the world As this paper will show the mass media now have an enormous influence of both public and private life of Western culture in fact individuals as much as nations today formulate their agendas memories and

Terrorism and Temporality in the Works of Thomas Pynchon and Don DeLillo James Gourley, 2013-06-06

Terrorism and Temporality in the Works of Thomas Pynchon and Don DeLillo starts from a simple premise that the events of the 11th of September 2001 must have had a major effect on two New York residents and two of the seminal authors of American letters Pynchon and DeLillo By examining implicit and explicit allusion to these events in their work it becomes

apparent that both consider 9 11 a crucial event and that it has profoundly impacted their work From this important point the volume focuses on the major change identifiable in both authors work a change in the perception and conception of time This is not however a simple change after 2001 It allows at the same time a re examination of both authors work and the acknowledgment of time as a crucial concept to both authors throughout their careers Engaging with several theories of time and their reiteration and examination in both authors work this volume contributes both to the understanding of literary time and to the work of Pynchon and DeLillo

Postmodern Sublime Joseph Tabbi,1995 Focusing on works by Norman Mailer Thomas Pynchon Joseph McElroy and Don DeLillo Joseph Tabbi finds that a simultaneous attraction to and repulsion from technology has produced a powerful new mode of modern writing the technological sublime

Plotting Terror Margaret Scanlan,2001 Scanlan English Indiana University South Bend considers several novels about terrorists and considers what they say about the role of the writer in modern society and politics She examines the figure of the writer as a rival or a mirror of the terrorist tracing the development of this relationship from its Romantic origins to the age of the Unabomber The works of DeLillo Rushdie McNamee Mary McCarthy Lessing Coetzee Durrenmatt Roth Robert Stone Volodine and Conrad are specifically considered c Book News Inc

Contemporary American Fiction Kenneth Millard,2000-09-21 Contemporary American Fiction provides an introduction to American fiction since 1970 Offering substantial and detailed interpretations of more than thirty texts by thirty different writers Millard combines them in an innovative critical structure designed to promote debates on cultural politics and aesthetic value The book is the first of its kind to offer a wide ranging survey of recent developments in the fiction of the United States Recent novels by established writers such as John Updike and Philip Roth are analysed alongside the fiction of younger writers such as Gish Jen and Sherman Alexie The books innovative structure encourages new ways of thinking about how American writers might be configured in relation to each other while providing an analysis of how contemporary fiction has responded to changes in central areas of American life such as the family the media technology and consumerism Contemporary American Fiction is a substantial critical introduction to some of the most exciting fiction of the last thirty years an eclectic and thorough advertisement for the extraordinary vitality of American fiction at the end of the twentieth century This is an excellent introduction to the subject for undergraduate students of modern American literature

American Studies as Transnational Practice Yuan Shu,Donald E. Pease,2015-12-22 This wide ranging collection brings together an eclectic group of scholars to reflect upon the transnational configurations of the field of American studies and how these have affected its localizations epistemological perspectives ecological imaginaries and politics of translation The volume elaborates on the causes of the transnational paradigm shift in American studies and describes the material changes that this new paradigm has effected during the past two decades The contributors hail from a variety of postcolonial transoceanic hemispheric and post national positions and sensibilities enabling them to theorize a crossroads of cultures explanation of transnational American studies that moves beyond the

multicultural studies model Offering a rich and rewarding mix of essays and case studies this collection will satisfy a broad range of students and scholars
