

## Mazda 6: owners and service manuals

Owners guidet, service and repair manuals

Welcome to Mazda6 site with owners manuals, user guides, service and repair manuals. It's hard to shake up the midsize sedan class, which is dominated by a few well-established sedans that are among the top-selling cars in the United States year after year. Nevertheless, the Mazda 6 offers something most competitors don't: charisma. The Mazda 6 also stacks up well against the class leaders in passenger space and cargo volume. Moreover, most midsize sedans just can't match the Mazda's entertaining character on twisty back roads. While almost any car in this class will get you from home to the office without fuss, the Mazda 6 manages to engage the driver in the process. Later versions of the 6 are also notable for their outstanding fuel economy and high-quality interior materials.
