The Military Advantage, 2013 Edition Terry Howell, 2013-04-22 The Military Advantage 2013 Edition written by Terry Howell Managing Editor for Benefits for Military.com is the essential annual reference guide to military and veterans' benefits. Published in partnership with Military.com, the nation's largest military membership organization with over 10 million members, and its parent company Monster.com, the nation's largest career and job website, this latest edition is the most reliable benefits guide for the over 30 million Americans who have answered the call to serve in the military. These valuable benefits include billions in scholarships, educational benefits, home loan guarantees, and military discounts. Due to the drawdown of forces in Iraq and Afghanistan and required budget cuts, the Department of Defense plans on reducing military forces by as many as 100,000 troops over the next five years. In response, the 2013 edition of the Military Advantage will focus on the rights and benefits available to assist service members, veterans, and their families as they transition to civilian life in record numbers. The new 2013 Edition will include these key topics to help make the most of the military experience: Transition Assistance Program Changes, New Veteran Employment Resources, New VRAP, GI Bill, and Other GI Bill Updates, New Spouse and Family Resources, TRICARE Fee Increases, Helpful tips on Preparing for Transition, Changes to Military Pay, and Survivor Benefits. With this emphasis on making a successful transition to civilian life, this well-established guide will be even more relevant to active-duty military veterans, retirees, and their family members. *The Military Advantage*

New technology is artfully blended with ancient heritage; facts and figures are augmented by helpful advice, and the mysterious language of the sea is preserved and deciphered in a volume that has served the United States Navy for an entire century. Updated throughout, the book provides the latest Navy ratings, uniforms, ships, aircraft, and weapons, as well as current Navy policies on hazing, fraternization, education, and physical fitness, and a completely new chapter explaining the Navy's mission in terms of its rich heritage. *United States Code Annotated* United States, 1998 **The Air Force Officer's Guide**
