

Chapter 0

I don't remember much when I was first spawned in the world, but do remember waking up to see a world made of rocks, dirt and trees, all blocks! It was a world where I can do anything! Build and craft to my imagination, whatever I dream, I can build!

I was not alone though.

I was spawned with the one I call, brother, his name was Notch.

So I and my Brother went out into the world that our Father has created for us and there, we found new things.

We would go mining and fight mobs, well, I would mine and Notch would keep the Mobs away.

My brother seems to be over protective with me, something along the lines where I can die and he can't, I don't know, but I found a diamond!!

As time went on, Father started spawning more people into the world.

First there were only males, 1000 years later, females spawned and soon, children were being born.

Notch wanted to create and build awhile I wanted to go out and mine.

So while my brother played house wife, I went out and had some fun!

Are those diamonds?
