It S A Cow S World:

Well... It's Your Cow Sam Knight, Frances Pauli, R.J.J. Goude, Lee French, Elizabeth R. Alix, Joyce Reynolds-Ward, William Graves, Olivia Baxter Hudson, Sanan Kolva, Frog and Esther Jones, Madison Keller, Deby Fredericks, Thomas Gondolfi, G.R. Theron, Kaye Thornbrugh, Voss Foster, Bethany Loy, Manny Frishberg, Ryan Riddell, 2018-11-10 In the throes of a convention full of geeks Frog Jones told a story That story is found in this book's foreword but the key line from the story became the title of this anthology The authors seized upon that line much like an out of control bovine seizing its own halter and stampeded into the volume you see before you This is not just a comedy anthology Nor is it horror or romance or literary or well any one thing Rather it is all those things Each story starts exactly in the same place But each author immediately leaps from there into their own world This anthology celebrates the creativity of these authors because it does not shackle them to a theme The starting line is the same the finish line is on other planets in other times and in alternate realities You're not going to feel cohesiveness reading this thing It's not going to be several stories hitting the same note But you are going to experience a wider panoply of stories than you would in other anthologies And as to what you make of them or what stories they may inspire in you Well that's your cow
