Wanted To Know Color Edition provides new managers and leaders with the foundational concepts of financial management. Having deep knowledge of law, engineering, and other professional disciplines doesn't prepare someone for the key role finance plays in business. This book provides an overview of core financial concepts such as Analysis of financial statements, Cost of Capital, Creating a capital budget, Managing working capital, Stocks and dividends, Forecasting. Each chapter provides clear examples of financial management practice and includes practice exercises to help train the reader in the usage of these critical tools. This edition also includes Chapter Summaries and Solutions to Practice Exercises. About the Series: Financial Management Essentials You Always Wanted To Know Color Edition is part of the Self Learning Management Series that helps working professionals moving into management roles. This Self Learning Management Series intends to give a jump start to working professionals whose job roles demand to have the knowledge imparted in a B school but haven't got a chance to visit one. This series is designed to address every aspect of business from HR to Finance to Marketing to Operations in any industry. Each book includes basic fundamentals, important concepts, standard and well-known principles, as well as practical ways of application of the subject matter. The distinctiveness of the series lies in that all the relevant information is bundled in a compact form that is very easy to interpret. About the Author: Kalpesh Ashar is a management consultant and corporate trainer holding an MBA Dean's Award Winner from SPJIMR, one of Asia's top business schools, and an Engineering degree with honours in Electronics. He has over 21 years of experience in large organizations and start-ups in Asia, USA, and Europe. Kalpesh has worked in several project management roles like Senior Project Manager, Delivery Manager, and Program Manager. He is passionate about writing on management subjects. His techno-business background gives him a unique position to write on management topics that are easy to understand for non-MBA graduates. His books are authored in a simple-to-understand manner without unnecessary use of management jargons. The Law Times, 1900

Principles of Managerial Finance Lawrence J. Gitman, Chad J. Zutter, 2012.
