excruciating until it was finally broken You really are certain you re not pregnant Dr Andrew asked I m not Brianna whined and lifted her t shirt to show her honed flat belly I haven t even had sex for well not for a while It was another intimate admission that made her blush and she couldn t bring herself to look at the doctor when he stepped in front of her Then I might know what your problem is he said That did make Brianna look up Really she said Is it bad Yes and no he replied Bad that it happened but if it s what I m thinking then the consequences are not dire Huh Brianna blurted out Have you ever heard of Lactiserv Brianna simply shook her head to answer It s a powerful remedy used when mothers are having problems breastfeeding their child Dr Andrew went on Works quickly to enhance milk production Oh Brianna let out quietly as it dawned on her where things might be going before Dr Andrew went on speaking It should be prescribed by a doctor only for mothers but that doesn t mean it can t get into the hands of others I ve heard of a number of stories in the last six months or so where it was used nefariously by slipping it in a drink Could anyone have done that with you last night But I came home alone she said It s not like I was with anyone who could well you know It s just an educated guess Dr Andrew said I ll need to examine you to be sure so if you could take off your top for me please Brianna watched as he removed his coat to put it down on the coffee table beside his medical bag There was no keeping the grimace from her face but there was little choice other than to do what he d asked She was aware of him looming over her as she grabbed her t shirt to pull it over her head What do you think she blurted out That is milk so you are definitely lactating he replied I can only assume you have been targeted with Lactiserv It s the most obvious explanation So what do I do Brianna whined Is there a cure Well Lactiserv typically acts as a one and done remedy Dr Andrew said That is you take it to feed your child and the symptoms wane afterwards So Brianna let out You need to get the milk out Dr Andrew explained That s the cure How Brianna asked Typically a manual or electric pump would be used for that but The unfinished comment hung between them as Dr Andrew reached out again The squeeze of Brianna s breasts made milk trickle across her bare skin and he brushed a touch through it before lifting his thumb to his mouth again She watched wide eyed as he went after the taste and his next comment shocked her more You could have someone help you get it out      *Breast Massage (Housewife Lactation Milkmaid Erotica)* Anita Dobs,2014-12-28
