ALERT Before you purchase check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab check with the seller before completing your purchase. Used or rental books: If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes: Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase.

Go beyond managerial accounting theory to the techniques used in management today. **Managerial Accounting: Making Decisions and Motivating Performance** enables managers and business owners to attain the core skills they need to become integral members of their company's decision-making teams. This new program from established authors Srikant M. Datar and Madhav Rajan emphasizes decision making and the effects of decisions. While many texts teach the theories and frameworks of management education, **Managerial Accounting** goes further by covering the capabilities and techniques necessary for effective management practice as well as fostering attitudes that typify integrity, honesty, and fairness.
