**Managing Business and Professional Communication** Carley H. Dodd, 2008 Business and Professional Communication provides the reader with the strategies they need to effectively manage communication challenges in the workplace Tailoring relevant communication concepts to the unique demands of the workplace environment Business and Professional Communication surpasses the coverage of traditional communication books to address the most recent surveys of expected workplace competencies exhibiting leadership managing organizational culture communication style differences and conflict dealing with difficult people improving diversity and intercultural communication and interviewing selling and negotiating successfully Business and Professional Communication not only prepares the reader for relevant informative and persuasive public presentations in the workplace but also prepares them for managing cultural diversity sales customer service audits briefings reports team building and other communication proficiencies vital for success in the modern workplace

**Business and Corporate Integrity** Robert C. Chandler, 2014-03-10 There is a crisis of trustworthiness in business and corporate integrity This book identifies the specific actions to create and sustain integrity in businesses and corporations steps that can restore the public's trust and confidence as well as improve company performance Business and Corporate Integrity Sustaining Organizational Compliance Ethics and Trust addresses a critical contemporary topic of wide public concern from a pragmatic solution oriented perspective Offering insights from world class scholars and a range of subject matter experts this accessible two volume work defines the nature of corporate integrity and business ethics in the current climate of scandals and an increasingly skeptical public allowing readers to fully understand the importance of the subject In addition it uniquely provides practical methods tactics and tools to effectively address issues of integrity in the organizational environment The first volume of the series contains contributed chapters that address the foundational

approaches for ethics and integrity in the business world The second volume presents practical ways to assess and enhance integrity and encourage ethical behavior in corporations businesses and other organizations All companies regardless of size or financial clout need to avoid the significant consequences of ethical misconduct and illegal behavior by their employees and managers which can result in erosion of public trust customer loyalty investor confidence and employee morale not to mention debilitating fines and criminal indictments This book identifies the key mindset and values that should guide decision making for businesspeople every day *Arguments and Arguing* Thomas A. Hollihan, Kevin T. Baaske, 2015-11-17 The latest edition of *Arguments and Arguing* contains the same balance of theory and practice breadth of coverage current and relevant examples and accessible writing style that made previous editions so popular in hundreds of classrooms The authors draw from classic and recent argumentation theory and research contextualized with well chosen examples to showcase a narrative style of argumentation and the values and attitudes of audiences Readers learn how to employ both formal and informal argumentative strategies in an array of communication forums from interpersonal interactions to academic debate to politics to business A newly added chapter on visual argumentation and a striking color photo insert demonstrate the value and power of visual elements in the construction of arguments The ability to argue is necessary if people are to solve problems resolve conflicts and evaluate alternative courses of action While many are taught that arguing is counterproductive and arguments should be avoided Hollihan and Baaske illustrate that arguing is an essential and fundamental human activity Learning the art of effective argumentation entails a grasp of not only the strategies and principles of analysis and logical reasoning but also the importance of arguing in a positive and socially constructive fashion

**Leading and Managing in Nursing - E-Book** Patricia S. Yoder-Wise, 2013-08-13 *Leading and Managing in Nursing* 5th Edition by Patricia Yoder Wise successfully blends evidence based guidelines with practical application The new edition is designed to prepare you for the nursing leadership issues of today and tomorrow providing just the right amount of information to equip you with the tools you need to succeed on the NCLEX and in practice This thoroughly updated edition is organized around the issues that are central to the success of professional nurses in today's constantly changing healthcare environment including patient safety workplace violence consumer relationships cultural diversity resource management and many more Merges theory research and practical application for an innovative approach to nursing leadership and management Offers a practical evidence based approach to today's key issues including patient safety workplace violence team collaboration delegation managing quality and risk staff education supervision and managing costs and budgets Features easy to find boxes a full color design and new photos that highlight key information for quick reference and effective study Research and Literature Perspective boxes summarize timely articles of interest helping you apply current research to evidence based practice Includes critical thinking questions in every chapter challenging you to think critically about chapter concepts and apply them to real life situations Provides Chapter Checklists for a quick review and study guide
