

MANBEASTS

The background of the entire page is a detailed illustration of a prehistoric jungle. In the foreground, a large, brown, gorilla-like creature with a dark beard and chest is roaring with its mouth wide open, showing its teeth. It is standing on a rock and holding a long, curved branch in its right hand. In the background, a group of similar creatures are gathered on a grassy slope, some sitting and some standing. The scene is set in a lush jungle with tall trees and dense foliage.

Manbeasts: A Personal Investigation Adam Davies, 2014-10-07 Adam Davies one of the world's best known explorers writes This book is not a detailed analysis of the various cryptozoology creatures and their respective merits Please look to researchers such as Craig Woolheater Loren Coleman or Dr Karl Shuker Nick Redfern and the like for that This book is about how I felt about and how I reacted to the situations in which I found myself while hunting for proof of the existence of animals unrecognised by science Some of my adventures were exciting some amusing and some dangerous but all are memorable The expedition with Bryan Sykes and Lori Simmons stands out as one of the most truly bizarre experiences of my life I find it somewhat ironic that it was not on some mountain top in remote Nepal or in the deep Sumatran jungle that I was to have the most amazing of my encounters but rather in the Pacific Northwest of America not far from a small town

Adam Davies Extreme Expeditions 2 Adam Davies, 2020-03-22 Explorer Adam Davies has traveled to some of the most dangerous places in the world in search of these and other supposedly mythical beasts In this extraordinary new book he recounts his adventures hunting for the Orang Pendek an unknown species of upright walking ape in Sumatra his hunt for the Yeti in Nepal the Yeren or Wildman in China his search for the Almasty another wildman in the mountains of Eastern Russia the Mande Burung or Indian Yeti in the Garo Hills of Northern India and his extraordinary adventures with Bigfoot in the Pacific North West of the United States which included encounters that would change his life and world view forever
