Twentieth Century Plays Richard Albert Cordell, 1947 **Twentieth Century Plays, American** Richard Albert Cordell, 1947 **Major Writers of America** Perry Miller, 1962 Selections from the writings of fifteen important American authors including portions of novels short stories prose and poems *Knockout Games* G. Neri, 2014-08-01 For Calvin Barnes the only thing that comes close to the rush of playing the knockout game is watching videos of the knockout game Calvin's crew always takes videos of their KOs but Calvin wants more something better He thinks if someone could really see the game for what it was could appreciate it could capture the essence of it that would be a video for all time The world would have to notice That's where Erica comes in She's new in town Awkward Shy White But she's got a good camera and a filmmaker's eye She could learn Calvin could open her eyes to the power he sees in the knockout game he could make her see things his way But first she'll have to close her eyes to everything else For a while Calvin's knockouts are strangers For a while Erica can ignore their suffering in the rush of creativity and Calvin's attention Then comes the KO that forces her eyes open that makes her see what's really happening No one wins the knockout game Coretta Scott King Award honoree G Neri captures the notorious and terrifying knockout game and its players in an unflinching novel that's hard to read and impossible to put down
