Ancient Monuments and Modern Identities Sofia Voutsaki, Paul Cartledge, 2017-04-28 Ancient Monuments and Modern Identities sets out to examine the role of archaeology in the creation of ethnic national and social identities in 19th and 20th century Greece The essays included in this volume examine the development of interpretative and methodological principles guiding the recovery protection and interpretation of material remains and their presentation to the public The role of archaeology is examined alongside prevailing perceptions of the past and is thereby situated in its political and ideological context The book is organized chronologically and follows the changing attitudes to the past during the formation expansion and consolidation of the Modern Greek State The aim of this volume is to examine the premises of the archaeological discipline and to apply reflection and critique to contemporary archaeological theory and practice The past however is not a domain exclusive to archaeologists The contributors to this volume include prehistoric and classical archaeologists but also modern historians museum specialists architectural historians anthropologists and legal scholars who have all been invited to discuss the impact of the material traces of the past on the Modern Greek social imaginary **The Outlook** , 1906 This Great Symbol John J. MacAloon, 2013-09-13 This Great Symbol is the definitive study of the origins of the modern Olympic Games and of their founder Pierre de Coubertin whose ideological stamp the Olympics still bear Behind this fascinating blend of biography and history lies an impressive framework of cultural social and psychological theories skilfully employed to interpret the creation and symbolism of the modern Olympic Games Hailed as both a classic in sport history and as a paradigmatic study in the anthropology of the past This Great Symbol helped launch the new collaboration between historians and cultural anthropologists that continues to mark the human sciences worldwide For this 25th anniversary edition Professor MacAloon adds a new preface evaluating subsequent scholarship on Coubertin and the Olympic origins and a highly personal afterword describing the impact of This Great Symbol on his own subsequent career as an Olympic anthropologist and cultural performance theory This book was published as a special issue of the International Journal of the History of Sport Charter, Constitution, Officers, and Roll of Members of "the University Club" in the City of New York University Club (New York, N.Y.), 1910 Annual of the University Club University Club (New York, N.Y.), 1910 **Annual of the University Club [for the Years ...** University club, New York city, 1910 **Annual of the University Club** New York (City).
