Furthermore, a lot of things that cannot may in the village. On the contrary, there are people who prefer to live in the village because they love the village life with its healthy clean air and fresh products and they cannot live in cities, but almost they are usually the elderly. Although living in the city has many advantages there are some disadvantages too, the cost of the living is very high in the city, the city is always noisy, no fresh air and pure water. So it is hard to lead a healthy life. On other hand the village the undeveloped area for example, we cannot easily get many facilities the insufficient medical and education facilities, few opportunities to make money, little entertainment, no or little public transportation, also less facilities than a big city offers.

Over all there are some similarities between both locations with big differences. But for each lives there is lovers who cannot switches lives to the other city, at the end, I see that Living in a village near the city is the best way to combine the benefits of this two lives.
