Why Praise Alvin J. Summers,2008-06 Are you tired of living a defeated Christian life Are you sick of trying to overcome the same things as if they are stronger than your God Well I have good news You don t have to be what you are Christ died to make us free from the law of sin and death So many believers live beneath their privilege simply because they have not come into the full knowledge of what Christ did at Calvary They go to church week in and week out hoping for some hocus pocus action from the pulpit or during the praise service that will catapult them from one dimension to another More often times than not they leave inspired but not motivated to attack their lives with Godly fervor We are told to live holy but how Why Praise is an attempt at that process We are free Alvin J Summers is the proud Pastor of Oak Grove Missionary Baptist Church in Martin TN where he has served for eleven years A man after God s own heart he encourages all to love God in honesty and integrity Alvin has a B M E from Henderson State University and a M Div from Memphis Theological Seminary Alvin s quiet humility gives way when he is given the opportunity to share the Gospel I am unashamedly Christian he declares Gods been good to me and I am not ashamed to tell the story is his personal testimony He and his wife Colleen have been married for 18 years and have two children But most of all he has taken upon himself the responsibility of studying to show himself approved unto God a workman that needs not to be ashamed but one that tries to rightly divide the word of truth 2 Timothy 2 15

The Role of the Three Persons Trinity in the Economy of Salvation Yusuf Shammah,2017-11-07 Seminar paper from the year 2017 in the subject Theology Biblical Theology grade 60 course Historical Theology language English abstract The doctrine of salvation to me is the most crucial doctrine in the history of the church and the most important matter in the life of Christianity Hence the understanding of the role of the Trinity is very crucial in knowing how salvation really applied to the life of a believer and the Christian faith For I perceived that the reason why several Christians make little value of their Christian life is due to lack of clear and proper understanding of the works of the Trinity in their Salvation experiences and probably because the transaction was not properly done These may be the same reason why most Christians are living a life of hypocrisy and void of power because they understood stricken the role of the Trinity in the Economy of their salvation Hence they don t appropriate the efficacy of

the power of Trinity in their salvation bargain No wonder so many Christians resolved to other sources of power in times of crisis and difficulties I perceived that the reason why several Christians take little value to their Christian life is the lack of proper understanding of the works of the Trinity in their salvation experiences and probably because the transaction was not properly done These may be the reason why most Christians are living a defeated and hypocritical life Because they understood stricken the role of the individual Persons of the Trinity in the economy of their salvation hence they don t appropriate the efficacy of the power of the Trinity in their salvation bargains No wonder they resolved to other sources of power in their times of crisis and difficulties The fact on the importance of the doctrine of salvation was elucidated by the Article Bible org as they said that Soteriology the doctrine of salvation must be the grandest theme in the Scriptures It embraces all of time as well as eternity past and future It relates in one way or another to all of mankind without exception It even has ramifications in the sphere of the angels It is the theme of both the Old and New Testaments It is personal national and cosmic But in all its beauty we don t seem to understand and appreciate the role the individual Persons of the Godhead play in our salvation economy *The Alliance Weekly* ,1928 K'oria Misyõn P'ildũ ,1924 *Teach Me to Pray* D. Qwynn Gross,2011-07-28 Is there a right way to pray Does God only listen to those who are on bended knees with hands folded heads bowed and in reverently silent communication with Him From many years of experiencing answered prayer author and pastor D Qwynn Gross offers insights to the most effective way to pray Based on the prayer that Jesus taught His followers the teaching in this book reveals personal and practical patterns needed to pray with insight intention and expectation as you present yourself before almighty God This the way you should pray Father in heaven may Your name always be kept holy May Your kingdom come However if you do not forgive people then your Father will not forgive the wrong things which you have done Matthew 6 9 14 PEB Reciting the Lord s Prayer doesn t yield the meaning needed for application in real life problems nor does it offer real communion with God Narration of the prayer only proves memory is strong understanding the prayer enables results Through God s Word and personal testimony you will discover how praying is an experience you ll not just cultivate but you ll appreciate and truly enjoy This book will change your prayer life and transform your future *If You Really Trust Me, Why Can't I Stay Out Later?* Lorraine Peterson,1991 A collection of devotional readings based on the wisdom of Solomon as expressed in the Book of Proverbs **For Lack of Knowledge** C. Parker,2003-03-27 Why are so few Christians able to apply the scriptural promises and powers of God in overcoming the complexities of every day life Why has their belief in God failed to meet their deeply rooted ideological social cultural and financial expectations of him Why do so many wander from religion to religion denomination to denomination and church to church Sadly they perish for lack of knowledge Most have been subjected to institutionalized methods of teaching and preaching Thus their relationship with God and their view of him is based on Bible history and church traditions They are aware of prayer fasting and scripture but have never taken the next step into understanding the deeper spiritual truths of God to the extent it would help them to apply

these religious instruments to their fullest benefit For instance few realize that there is a difference between what is real and what is true chapter 1 or that Christians do not live in real time chapter 2 Becoming acquainted with theses truths can help one to understand why relationships fail and what can be done to make them work chapter 3 as well as how to move from spiritual bondage into the will of God chapter 4 This book delves into the spiritual perspectives needed to live victoriously in Christ
