User's Guide to Funding Resources Human Resources Network,1975 **One-Way Ticket** Robert Currie,2018-10-01
What begins as a look back at a different time in history quickly takes a dark turn in Bob Currie's latest collection *Embodying*
a variety of characters often in different voices both those of well known classic poets as well as the voices of Saskatchewan
poets past and present Currie ponders the collective human experience With razor sharp precision and telltale imagery these
poems explore domestic and public life bad marriages infidelity poverty gun violence and in a final section death and how
these experiences change or don't between one generation and the next Currie expertly combines seemingly innocuous
poems catching fish discovering false breasts in a dresser with more sinister and somber poems murder hiding from a
gunman outside of a grocery store bearing witness to the death of loved ones with poignant candor Implement & Tractor
